

To Whom It May Concern,

I am writing this letter to highly recommend Josiah Kicks Academy, which has been providing Taekwondo classes for children aged 3-5 years at our center since May 2023.

Throughout this period, Mr. Josiah and Ms. Iveta have demonstrated exceptional dedication and professionalism in their approach to teaching Taekwondo to young children. Their patience and guidance have been instrumental in making the classes not only enjoyable but also effective for our young learners.

The Taekwondo program offered by Josiah Kicks Academy has quickly become one of the most popular courses in our center. Children eagerly anticipate and thoroughly enjoy the classes, fostering a positive and engaging learning environment. The dynamic teaching methods employed by Mr. Josiah and Ms. Iveta, including various interesting activities, have proven to be successful in capturing the children's attention and encouraging their active participation in Taekwondo.

Mr. Josiah and Ms. Iveta's professionalism in interacting with young children is commendable. They create a supportive atmosphere that motivates children to follow instructions and actively engage in the movements of Taekwondo. As a result, we have observed significant improvement in the Taekwondo skills of the participating children.

In conclusion, I wholeheartedly recommend Josiah Kicks Academy for their outstanding contribution to the development and well-being of the children in our center. Their commitment to providing quality Taekwondo instruction, coupled with their ability to create a positive and enjoyable learning experience, has made a lasting impression on both the children and the staff at our center.
