Post Date: August 30, 2024

Effective Date: September 1, 2024

Dear Valued Customer,

We hope this message finds you well. We are writing to inform you of an important update regarding our corded blind waiver.

In the last 2 months, we have been accommodating our customers by accepting a “corded waiver” in order to purchase 2” horizontal corded blinds. Unfortunately, we have to take into consideration the liability risk involved.

With this in mind we have decided that Superior Blinds MFG will no longer accept our Corded Blind Waiver effective **September 1, 2024** for the following products:

- Corded cellular shades (only available with clutch, cordless and motorized)
- 2” & 2.5” horizontal corded blinds (only available in cordless mechanism or motorized)
- No corded PVC or fabric vertical blinds (only available with wand mechanism)
- Panel tracks (only available with wand mechanism)
- Roller shades will remain with clutch, cordless and motorized.
- Zebra shades will remain with clutch and motorized.

This decision is part of our ongoing efforts to prioritize the security and efficiency of our products.

We understand that this change may require adjustments on your part. Rest assured; we are here to assist you in any way we can.

If you have any questions or need assistance during this transition, please do not hesitate to contact our customer service team. We are dedicated to providing you with the best possible service and support.

Thank you for your understanding and cooperation as we continue to enhance our services for you. We value your business and look forward to serving you.

Best regards,

The Superior Blinds MFG Family
