and brochures

Garden imagery

Website headers
and range pages

Lifestyle imagery

Advertising
and social content

Independent demonstration imagery. The collection illustrates image types and applications.

02 / RANGE COVERAGE

Every model. Every finish.

3 models x 3 finishes. One coordinated garden setting.

	Timber	Light	Dark
01			
02			
03			

Add finishes. Keep the collection consistent.

Approved models and scenes can be reused, making further finish variations and camera angles more affordable.

Independent visualisation study based on Tiger Sheds' garden-room ranges. Imagery by Anton Luget.

03 / ILLUSTRATIVE PRICING

A complete image collection for five garden-room models.

45 images covering product views, garden settings and lifestyle content.

EXAMPLE ONLY - NOT A PACKAGE

30 Product images

2 angles x 3 finishes per model

10 Garden images

1 angle x 2 finishes per model

5 AI lifestyle images

1 image per model

05 / WORKING TOGETHER

Your creative direction. My image production.

You lead the client relationship. I create the imagery to your brief.

01	**Brief**	Share product references, image needs and your deadline.
02	**Quote**	Agree scope, price, schedule, revisions and approvals.
03	**Preview**	Review the imagery and confirm product accuracy.
04	**Delivery**	Receive final images in the agreed formats.

Two free sample images.

For your next client project.

See how coordinated imagery could work for your client before commissioning a collection.

Send a product link and a short brief.

Available for suitable garden-room projects.
