By-Law: Currumbin shed and equipment – Currumbin Creek

The following by-laws have been resolved by the committee of the Currumbin Creek Paddlers Club ("the club") to apply to

a. the clubs use of the State reserve land administered by the Gold Coast City Council located at 62 Michel Drive, Currumbin Waters Qld ("the State reserve")
b. the premises leased to the club located on the State reserve ("the Currumbin shed")
c. equipment owned by the club located in the Currumbin shed

1. **Boat storage**
   Club members may store a boat in the Currumbin shed only if they have a current storage agreement with the club for that boat.

2. **Currumbin shed facilities**
   a. The facilities of the Currumbin shed, including toilets, showers, boat washing stands and hoses, are only for the use of club members, or their accompanied occasional guest, unless otherwise agreed in writing by the committee of the Club
   b. Club members and their guests must leave the bathroom in the Currumbin shed in a clean, hygienic and tidy condition after use. Appropriate brooms, mops, brushes and cleaning chemicals are kept at the Currumbin shed for that purpose.

3. **Locking the Currumbin shed and the State reserve**
   Club members must never leave the Currumbin shed unlocked and unattended.
   If no other club member is present, when leaving the Currumbin shed, club members must ensure that
   a. the door centre lock and the external floor level padlock for each Currumbin shed door is fully locked
   b. the padlock key and door centre key for the Currumbin shed are returned to the lockbox on the external wall of the Currumbin shed
   c. the external lockbox is locked, and
   d. the entry gate to the State reserve is locked

4. **No boats to be left on the State reserve land**
   Club members must not leave a boat on the State reserve unless the member is then
   a. preparing it for storage, removal or cleaning
   b. repairing it, or
   b. using it as part of current club activities.

5. **Rubbish or damage to Currumbin shed or the State reserve**
   Club members must not:
   a. cause any damage to the Currumbin shed
   b. leave rubbish on the State reserve or in and about the Currumbin shed
   c. cause damage to grassed areas, trees or other vegetation in the State reserve

6. **Access to Currumbin Creek**

   To minimise local environmental impact, Club members must only access Currumbin Creek from the council land through areas designated by the club committee.

7. **Report apparent damage or by law breach**

   A club member must report to any club committee club member

   a. any lost or damaged key or lock for the Currumbin shed or to the Council land
   b. any damage to the club premises or the Council land
   c. any loss or damage to the club equipment
   d. any loss or damage to any boat stored at the club premises
   e. any apparent breach of these by laws

   immediately upon becoming aware of it.

   A list of the names, phone numbers and email addresses of the club committee members is displayed on the Currumbin shed notice board

8. **Club boats and equipment**

   a. A member may use Club boats and paddling equipment for that member's own use only.
   b. A member must return any Club equipment located at the Currumbin shed to the Currumbin shed promptly after used

At it's discretion, the Club committee may suspend or cancel a member's use of any club equipment if the member breaches this by-law.
