1.Kite courses, courses start at 10:30 hotel time.

Name	Description	Price in €
12 h Basic-Course	Duration: 3-5 days, maximal 12 h. 2 – 6 participants ** Contents: Theory, steering of the kite on land and water, relaunch, bodydrag, board start, riding the first few meters. After these 12h course, you should be ready to continue practicing with your own equipment by yourself. We do recommend this course to all the students that do not have any experiences in this or similar sports as well as students that likes to proceed in a slower progression.	590
8 h Crash-Course	Duration: 2-3 days, maximal 8 h. 2 – 6 participants ** Contents: Theory, steering of the kite on land and water, relaunch, bodydrag, board start, riding the first few meters. After these 8h course, you should be ready to continue practicing with your own equipment by yourself. This basic-course should give sporty students a fast entrance into the Kitesurfing sport. Experiences in similar sports e.g. snowboarding, wake boarding, windsurfing, surfing or land-kiting is a must.	427
4 h Refresh-Course VDWS Level 3 and 4	Duration: 1-3 days, maximal 4 h. 2 – 6 participants ** Contents: You have made a basic-course but this is maybe a few months ago? How was this with the relaunch? You maybe made your first few meters? But... you haven't still the confidence you would like to have to go riding by yourself? If you answer one of these questions above with a yes, then the refresh-course is what you are looking for. We go step by step through all the questions and we will give you back the confidence that you need. <i>For students that can already manage riding in both directions, we offer special private-lessons.</i>	264

Private-h incl. equipment rental	Duration: 1 h 1 participant Contents: Your own Instructor is helping you to reach your personal targets. From riding upwind, turns, transitions up to Jumps and special tricks, everything is possible!	109
