Christmas Day 2026 is an early bird price of 49 per person if booked
before August 31st, with arrival times between noon and 4:30pm. We
recommend arriving no more than 10 minutes early where possible, to
avoid congestion by the bars. All table slots will be 2 hours long, however
you are more than welcome to sit in our garden terrace afterwards,
where we plan on installing heaters specially for this winter!
