General Introduction

Through our strategic network of leading growers, processors, and export-certified packing facilities across Vietnam, Tiarez offers a reliable supply of premium fresh and frozen fruits with a combined production capacity exceeding 300,000 metric tons annually. Our partner facilities are located in Vinh Long, Dak Lak, Khanh Hoa, Dong Thap, and Dong Nai, enabling us to consistently serve customers in the United States, Japan, Australia, Europe, China, South Korea, and many other international markets.

Our partner packaging facilities are certified to internationally recognized food safety standards, including BRCGS, FSSC 22000, FDA, HALAL, and HACCP, and are officially approved by the Vietnamese Government for exporting fresh and frozen fruits to major global markets.
