

IMIJS Cookie Policy

Version: 1.0

Effective Date: 2 July 2026

Last Updated: 2 July 2026

1. Introduction

This Cookie Policy explains how IMIJS Ltd ("IMIJS", "we", "our", or "us") uses cookies and similar technologies when you access the IMIJS website, web application, and related online services.

This Policy should be read alongside our Privacy Policy.

2. What Are Cookies?

Cookies are small text files placed on your device when you visit a website or web application.

They help websites remember information such as:

- Login status
- User preferences
- Security settings
- Website performance
- Language preferences
- Analytics information

Cookies cannot normally access information stored elsewhere on your device.

3. Similar Technologies

In addition to cookies, IMIJS may use similar technologies including:

- Local storage
- Session storage
- Authentication tokens
- Device identifiers
- Software development kits (SDKs) used within the mobile application

These technologies perform similar functions, such as maintaining secure sessions, remembering preferences, and improving the Platform.

4. Types of Cookies We Use

Strictly Necessary Cookies

These cookies are essential for the operation of the Platform and cannot be switched off through our systems.

Examples include cookies used to:

- Authenticate users
- Maintain secure sessions
- Prevent fraud
- Enable account login
- Support core functionality

Without these cookies, certain parts of the Platform may not function correctly.

Functional Cookies

These cookies remember choices you make to improve your experience.

They may remember:

- Language preferences
 - Accessibility settings
 - User interface preferences
 - Other personalisation options
-

Performance and Analytics Cookies

These cookies help us understand how users interact with the Platform.

They may collect information such as:

- Pages visited
- Features used
- Time spent on pages
- Error reports
- Device type
- Browser type

Where required by law, these cookies will only be used with your consent.

Security Cookies

Security-related cookies help us:

- Detect suspicious activity
- Protect user accounts
- Prevent unauthorised access
- Maintain Platform integrity

These cookies are considered essential for maintaining security.

5. Third-Party Cookies

Some third-party service providers used by IMIJS may place cookies or similar technologies on your device.

Examples may include:

- Payment service providers
- Website hosting providers
- Analytics providers
- Security and fraud prevention services
- Customer support services

These third parties operate under their own privacy and cookie policies.

6. Mobile Applications

The IMIJS mobile application may not use traditional browser cookies but may instead use secure device storage, authentication tokens, SDKs, or similar technologies to provide functionality and maintain secure sessions.

These technologies are covered by this Policy where applicable.

7. Managing Cookies

Most web browsers allow you to:

- View stored cookies
- Delete cookies
- Block cookies
- Restrict cookies
- Configure cookie preferences

Please note that disabling certain cookies may affect the functionality of the Platform.

8. Cookie Consent

Where required by applicable law, IMIJS will request your consent before placing non-essential cookies or similar technologies on your device.

You may withdraw or update your cookie preferences at any time using the cookie management tools provided on our website, where available.

9. Do Not Track

Some web browsers offer a "Do Not Track" setting.

As there is currently no universally accepted standard for responding to these signals, IMIJS may not respond to all Do Not Track requests. We will continue to monitor developments in applicable laws and industry standards.

10. Changes to This Policy

We may update this Cookie Policy from time to time to reflect changes in technology, legal requirements, or the services provided by IMIJS.

The latest version will always be available on the IMIJS website and within the Platform where appropriate.

11. Contact

If you have any questions about this Cookie Policy or our use of cookies and similar technologies, please contact IMIJS using the contact details published within the Platform or on the official IMIJS website.
