

IMIJS AI Features & Disclaimer

Version: 1.0

Effective Date: 2 July 2026

Last Updated: 2 July 2026

1. Introduction

This AI Features & Disclaimer ("Policy") explains how artificial intelligence ("AI") features may be made available through the IMIJS platform ("Platform").

This Policy applies whenever IMIJS provides AI-powered functionality, whether developed by IMIJS or supplied through trusted third-party AI providers.

This Policy should be read alongside the IMIJS Terms & Conditions, Privacy Policy, Data Protection & UK GDPR Policy, and all other applicable IMIJS policies.

2. Purpose of AI Features

AI features may be introduced to improve the Platform and assist users with tasks such as:

- Event planning.
- Writing assistance.
- Content suggestions.
- Organisation management.
- Calendar recommendations.
- Checklist generation.
- Administrative support.
- Search and discovery.
- Accessibility improvements.
- Future productivity features.

The availability of AI features may vary depending on membership level, subscription plan, region, or device compatibility.

3. AI-Generated Content

AI-generated content is produced automatically using machine learning technologies.

Although IMIJS aims to provide helpful and reliable AI features:

- AI outputs may contain errors.
- AI outputs may be incomplete.

- AI outputs may become outdated.
- AI outputs should not be treated as professional advice.

Users remain responsible for reviewing and verifying AI-generated content before relying upon it.

4. No Professional Advice

Unless expressly stated otherwise, AI features do **not** provide:

- Legal advice.
- Financial advice.
- Tax advice.
- Medical advice.
- Mental health advice.
- Safeguarding advice.
- Engineering advice.
- Professional regulatory advice.

Users should seek advice from a suitably qualified professional where appropriate.

5. User Responsibility

Users remain responsible for:

- Reviewing AI-generated content.
- Making final decisions.
- Ensuring compliance with applicable laws.
- Checking factual accuracy.
- Obtaining professional advice where required.

AI tools are intended to assist users, not replace human judgement.

6. User Input

Information submitted to AI features may be processed to generate responses.

Users should not submit:

- Confidential information they are not authorised to share.
- Payment card information.
- Passwords.
- Security codes.
- Sensitive personal information unless specifically required by the relevant feature and permitted by applicable law.

Users are responsible for ensuring they have the right to submit any information they provide.

7. Privacy and Data Protection

Where AI features process personal data, IMIJS will do so in accordance with:

- The IMIJS Privacy Policy.
- The IMIJS Data Protection & UK GDPR Policy.
- Applicable data protection legislation.

Where third-party AI providers are used, personal data will only be shared where there is an appropriate legal basis and suitable safeguards.

8. Availability

AI functionality may:

- Change over time.
- Be improved.
- Be withdrawn.
- Be limited.
- Be suspended for maintenance or security reasons.

IMIJS does not guarantee that AI features will always be available or suitable for every purpose.

9. Intellectual Property

Users retain ownership of the original content they submit to AI features.

Any rights in AI-generated outputs will be governed by applicable law and the IMIJS Terms & Conditions.

Users remain responsible for ensuring that their use of AI-generated content does not infringe the rights of others.

10. Prohibited Use

Users must not use AI features to:

- Generate unlawful content.
- Produce fraudulent or deceptive material.
- Harass or intimidate others.
- Infringe intellectual property rights.
- Attempt to bypass Platform security.
- Generate malware or other harmful code.
- Engage in activities that breach IMIJS policies or applicable law.

Misuse of AI features may result in suspension or termination of Platform access.

11. Limitation of Liability

To the fullest extent permitted by law, IMIJS Ltd shall not be liable for losses arising from reliance on AI-generated content, including:

- Inaccurate information.
- Incomplete responses.
- Outdated information.
- Decisions made by users based on AI outputs.
- Interruptions or unavailability of AI services.
- Errors or omissions generated by third-party AI providers.

Nothing in this Policy excludes liability that cannot legally be excluded.

12. Future Development

IMIJS may introduce additional AI-powered features over time.

New AI functionality may be subject to supplementary terms where appropriate.

13. Changes to This Policy

IMIJS may update this Policy from time to time to reflect changes in technology, legislation, regulatory guidance, or Platform functionality.

The latest version will always be available through the Platform and on the official IMIJS website.

Continued use of AI features after changes take effect constitutes acceptance of the updated Policy.

14. Contact

Questions regarding this AI Features & Disclaimer should be directed to IMIJS using the contact details published within the Platform or on the official IMIJS website.
