

Wilder Costume Swap: Tagging Guide

Drop-off: Thursday, Oct 15, 3 to 5 PM, and Friday, Oct 16, 3 to 6 PM

Wilder Studio, 3135 W Post Rd, Las Vegas (near Town Square)

Step 1: Check each item

- Washed and clean, with no smoke or pet smell
- No stains, holes, rips, or broken zippers, snaps, or buttons
- All pieces together: pin it, hang it, or bag it
- Light-up pieces work, with batteries included

Please don't bring: underwear, used socks, swimwear, makeup or face paint, wigs, scary or gory pieces, or realistic-looking weapons.

Step 2: Sort into \$3 and \$5

\$3 (blue tag): everyday and simple

- Basic costumes, like a simple animal suit or a superhero suit with no extras
- Single pieces, like a cape, hat, tutu, or wings
- Fall shirts, sweatshirts, leggings, and pants
- Kids' pajamas, including Halloween and holiday pajamas

\$5 (red tag): premium and like new

- Full premium costumes with every matching piece
- Light-up pieces
- Handmade costumes
- Holiday dresses and sweaters in great condition
- A warm fall coat in great condition

Quick check: Is it premium, light-up, handmade, or a holiday dress or sweater, AND does it look almost new? Yes to both: \$5. Anything else: \$3. Not sure? Choose \$3.

Step 3: Count your units

One unit = one single piece, one full costume, or one outfit of up to three pieces that go together. **Up to 10 units per family.**

Step 4: Write the size on each tag

Infant	Child	Youth	Tween	Adult
0 to 2T	3T to 5	6 to 10	11 to 14	S to XL+

At drop-off

Tag each item blue (\$3) or red (\$5), put it in the matching bin, sign the drop-off sheet, and take one matching ticket for each unit. We trust you!

Everything brought in is a donation to the swap, so items can't be taken back. Have tickets left over at the end? Turn them in for **15% off a Wilder workshop for you and a friend.**
