ABOUT ME

My name is Ezequiel Rabelo, I am a husband, Youth Pastor and Graphic Designer.

Since I was a little kid I've been creating, whether it was silly little graphics and videos for my brother and I or just something I would do for fun. Little did I know God was developing a gift in me to create. Fast forward to my life now at 23 years old, and I have the huge privilege of being a graphic designer for the Miami Marlins and create some incredible stuff for some amazing people and brands. However, what I am most proud of is the fact that I am able to serve God as a Youth Pastor and am married to the love of my life.
