

Student Laptop, Google License & Technology Agreement 2026–2027 School Year

Dear AMCS Families,

Beginning **this week**, students will begin using their school-issued laptops as part of their daily instruction at Atlantic Montessori Charter Schools.

Technology is an important part of our academic program, and students will use their laptops to access instructional programs, complete assignments, participate in interventions and enrichment activities, and develop the technology skills they need for continued academic success.

Google License – Required for All Students | \$35

In accordance with our **Student Laptop/Technology Policy**, every student who uses an AMCS device is required to have an active **Google license for the 2026–2027 school year**.

The cost of the license is **\$35 per student, per school year**.

The Google license allows students to securely access the programs and services used by the school and supports the safety, security, filtering, and firewall protections required when students use AMCS technology.

This \$35 fee is required annually. Each school year that a student returns to Atlantic Montessori Charter Schools, a new annual license must be purchased.

Please complete the authorization section below so that the school office may charge the **\$35 Google license fee** to the credit/debit card you have on file.

Optional Laptop Purchase | \$65

Families also have the **option to purchase their child's school-issued laptop for \$65**.

The laptops available for purchase are **updated, refurbished computers. They are not new devices**.

Once purchased, the laptop will belong to your family and your child will be permitted to take it home, including during extended school breaks such as:

- Thanksgiving Break
- Winter Break
- Spring Break
- Summer Break

Purchasing the laptop is **optional** and is **not required for your child to participate in technology-based instruction during the school year**.

Students whose families do not purchase a laptop will still have access to a school device while at school. However, school-owned laptops that have not been purchased **will remain at school during extended breaks and will not be sent home with students**.

If your family already has a computer or appropriate technology available at home, purchasing the school laptop may not be necessary. However, we **strongly recommend considering the \$65 laptop purchase for families who do not have reliable technology at home**.

Teachers may provide students with **optional enrichment, practice, or additional learning activities during school breaks**. Having access to a device at home will allow students to continue practicing and learning while school is not in session.

Families may choose to purchase their child's laptop **at any point during the 2026–2027 school year**, subject to availability, however **Google licenses must be paid prior to any special event or field trip**.

FAMILY AUTHORIZATION

Student Name: _____

Grade: _____ **Teacher:** _____

Parent/Guardian First & Last Name: _____

Required Google License – \$35

I acknowledge that my child is required to have an annual Google license to use an AMCS-issued laptop during the 2026–2027 school year.

I authorize Atlantic Montessori Charter Schools to charge the credit/debit card I have on file \$35 for my child's 2026–2027 Google license.

Parent/Guardian Initials: _____

Optional Laptop Purchase – \$65

Please select **ONE**:

- **YES**, I would like to purchase my child's refurbished school laptop for **\$65**. I authorize Atlantic Montessori Charter Schools to charge the card I have on file an additional \$65.
- **NO**, I do not wish to purchase my child's laptop at this time. I understand that my child will still have access to a laptop at school, but the school-owned device will remain on campus during extended school breaks.

Total Authorized Charge

- Required Google License: **\$35**
- Optional Laptop Purchase (if selected): **\$65**

Total Amount Authorized: \$ _____

I understand that the **\$35 Google license is an annual requirement** and that purchasing the laptop is optional. I also understand that if I have an unpaid balance at the time of any paid event, I will be obligated to pay for all unpaid balances before my child participates. I have read and understand the information above and the school's Student Laptop/Technology Policy.

Parent/Guardian Signature: _____

Date: _____

Thank you for your continued partnership as we provide our AMCS Eagles with the technology, resources, and opportunities they need to succeed.
