THE INSPIRATION

PERSONAL STRUGGLE

MEYN Energy was born from my experience dealing with ADHD. Traditional energy drinks helped, but I was concerned about their long-term health effects.

HEALTHIER ALTERNATIVE

Creating a product that provided the same energy and focus benefits but without the side effects. MEYN Energy is a reflection of the journey which started in my home kitchen and I can now proudly share with others.

COMMITMENT TO WELLNESS

At MEYN Energy, we believe that energy shouldn't come at the cost of your health. Our goal is to empower consumers to live healthier, more active lives, naturally.

TROPICAL PASSION

Blood Orange, Passion Fruit &
Mango

THE PRODUCT

TWO SIGNATURE FLAVOURS

Made from *fruit juice concentrates, caffeine, ginseng, lion's mane, and maca root* to provide both *short-term energy and long-term cognitive benefits*.

WILD BERRIES & LIME

Apple, Cranberry, Mixed Forest Fruit &
Lime

FUTURE PRODUCTS

We plan to expand into new flavors, functional drinks (e.g., immune boosters, performance enhancers), and even energy-boosting snacks like dark chocolate.

INGREDIENTS

Lion's Mane

A brain-boosting functional mushroom known for its neuroprotective properties. Studied for its ability to enhance focus, memory, and cognitive function by supporting nerve regeneration and brain health, making it a key ingredient for mental clarity and sustained attention.

Ginseng

A powerful adaptogen known for to enhance mental clarity, reduce fatigue, and support overall energy levels. Ginseng has been used in traditional medicine for centuries to improve focus, boost cognitive performance, and promote sustained vitality.

Maca Root

A nutrient-dense superfood that helps increase endurance, balance mood, and support natural energy production. Maca root is commonly used to enhance stamina and improve resilience to daily stressors.

Caffeine

A known stimulant that gives a boost in energy and mental alertness, helping you stay focused and energised during all sorts of activities.

PRICING

Recommended Retail Price (€1.80)

Places MEYN in the premium category while still staying accessible to most consumers. Cafes, bars, restaurants, gyms and other similar establishments may choose to sell higher than RRP. In this case a price between **€2.50 - €3.00** is recommended.

Wholesale

Miller Distributors are handling our local distribution in Malta. Pricing is to be discussed directly with their sales team.
