MY MENTORS

-By Krishav

Mentors plays an important role in our life. They guide us, encourage us, and help us become better people. My mentors are my parents and teachers. They teach me good values, discipline, honesty and respect.

My teachers help me understand difficult subjects and motivate me to work hard. My parents support me in every situation and teach me to face challenges with confidence. They inspire me to achieve my goals and never give up.

I am thankful to my mentors for their love, care, and guidance. They are like guiding lights in my life. I will always respect them and follow their valuable advice.

Martin's -HOME OF TALENT

A Journey Written in Hearts

Fifteen years at St. Martin's High School have been more than a journey of teaching; they have been a journey of becoming. I entered the classroom to shape young minds, unaware that those little hearts would reshape mine, teaching me, inspiring me, and helping me grow with every passing year.

Receiving the Best Teacher Award, sponsored by IIHM on Teachers' Day, is a moment of immense pride and gratitude. My heartfelt thanks to the management for its unwavering support and to our respected Principal, Mrs. Rohini Remella Ma'am, for believing in me and considering me worthy of this honour.

Today, I realise that the greatest reward of a teacher is not the applause received, but the lives touched and the hearts that remember.

I began this journey as a teacher, but my students turned it into my identity, my passion into my purpose, and my years into a legacy of love. 🌟
