DVIR TSIMBLER

FASHION DESIGNER | GARMENT CONSTRUCTION | MATERIAL RESEARCH

Dvir@dvirtsimbler.com | dvirtsimbler.com | LinkedIn

PROFILE

Fashion designer and 2026 graduate of Shenkar Academy. Focused on sculptural silhouettes, garment construction and experimental material development, combining traditional techniques with digital fabrication. Graduate collection PETRIFIED explores transformation and protection through moulded leather, resin and SLA 3D printing.

FASHION EXPERIENCE

Castro | Fashion Designer | Nov 2025 - Oct 2026

Developed styles primarily for womenswear, with additional work on menswear collections. Supported garment development from concept to final sample, including fittings, material and colour decisions, collaborating with design and production teams.

Alon Livné | Fashion Design Intern | Aug-Oct 2024; Apr 2025

Assisted with garment development and sample preparation in the atelier. Supported fittings, silhouette refinement, material sourcing and construction alongside the designer and technical team.

Extravaganzi by Smadar Ganzi | Production Assistant & Dressing Room Manager | 2016-2022

Managed dressing room operations across more than 50 fashion shows. Coordinated garment changes and backstage timing, supporting runway production.

Tel Aviv Fashion Week | Fashion Week Production | 2022, 2025

Supported fashion show production and backstage operations.

ADDITIONAL EXPERIENCE

Diller Teen Fellows | Social Media & Marketing Manager | Sep 2022 - Present

Lead visual communication and creative campaigns, collaborating with local and international teams.
