ABOUT

DARDI has spent the past seven years refining his music taste, producing for multiple international labels and has a plethora of interesting music to share, from moody atmospheric ambient soundscapes through to dark cosmic party tunes.

Alongside a number of guest mixes for radio shows across the country, Dardi is causing a stir releasing on multiple international labels in the last few years, one's to highlight being his EPs with Technosis records reaching bathe beatport charts.

The act DARDI performs will be a DJ set consisting of mostly original production, he continues to keep his shows captivating as he plays a blend of Unreleased & Released music from the specified labels above. DARDI's keen ear for bushkrafty grooves and cultural sounds ensures the audience are always engaged, respectful & connected to the land they are partying on! Little can be said about how DARDI conducts himself when he is in control.. it truely is an experience that has to be witnessed first hand.
