At Hydro Sanitary Ware, our mission is to provide a wide range of MEP related products and partner with you to add value to your business. We do this by offering high levels of service, availability, warehousing and logistics support as well as expertise which has been built up over many years in the industry. We know that being close to you and having good availability is key and with locations in Dubai, Abu Dhabi and an outdoor sales team as well as a dedicated distribution centre, we are well placed to deliver on this.

We supply many top brands such as Cosmoplast, Atlas Hepworth, GF, Ariston, Grundfos, Stanley Black & Decker and Honeywell, Schneider, ABB, Hydroseal Canada, Milano, Grohe, Pegler UK, Crane and many more. We strive to be great in all we do so whether you visit us in one of our many branches, pick up the phone, send us an email or look us up online, you will have the same positive experience. Of course, we can always improve and are happy to hear any ideas and suggestions from you in order to serve your needs even better.
