STEP 3

FRONT VIEW

Then screw the glass globe onto the steel support until it is securely fastened. Ensure that it is properly positioned.

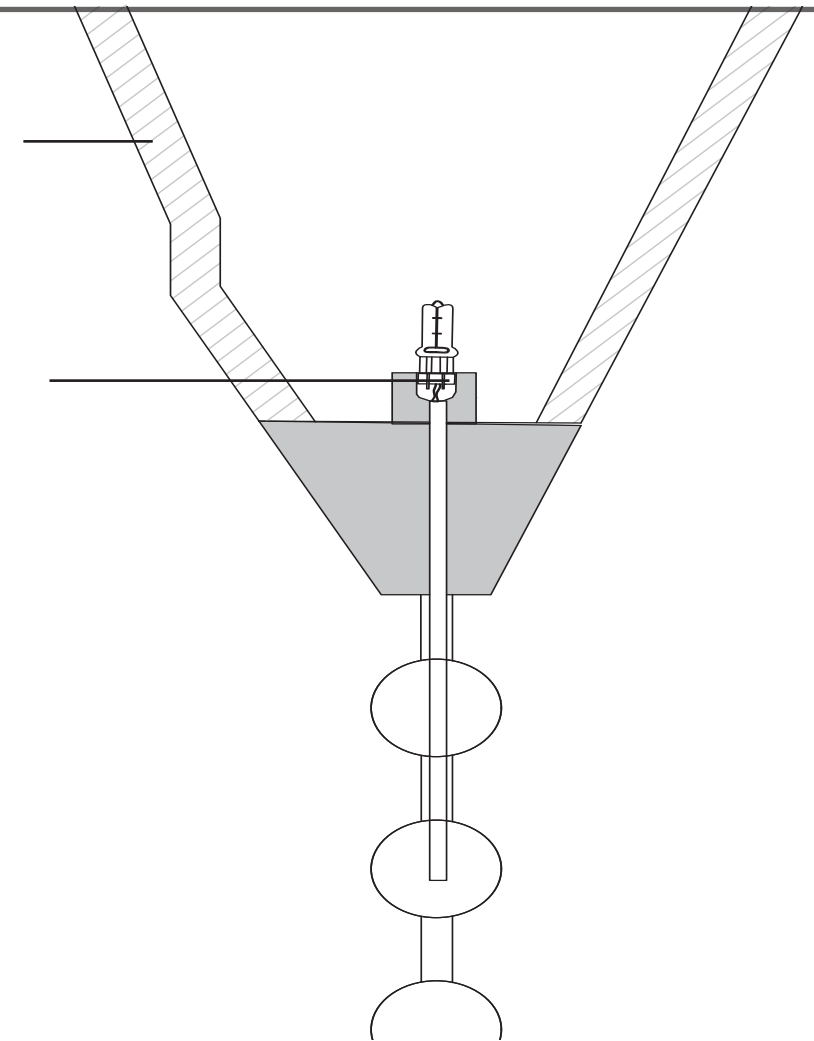

CEILING MOUNTING GUIDE

The luminaire must be connected to the electrical supply by a qualified electrician.

Position the bell-shaped glass globe over the bulb, following the direction shown. Then carefully screw the glass globe onto the brass support until it is fully seated and securely fastened.

Align the two pins of the G4 LED bulb with the socket. Gently push the bulb into the socket until it is fully seated. Do not force or twist the bulb.

Switch off the power supply before carrying out any work.
