

accoya 

Expect more from your cladding

Accoya is the ultimate cladding material,
combining long-term performance, design freedom
and sustainability in one smart solution.

All-weather durability
resists warping, swelling
and cracking

50-Year warranty
means long lasting
peace of mind

100% recyclable
and sourced from
fast-growing
sustainable forests

Takes paint and
stain beautifully
or leave natural

WHY CHOOSE ACCOYA?

Perfect for Residential and Commercial projects, new builds or renovations – stays flat and true.

Can be manufactured into all types of cladding styles – lighter than many hardwoods and available in fixed dimensions.

Available in both natural or Grey – both ensure a cleaner finish and fewer issues after installation.
