

Client:	www.quantumresearchpeptides.ca
Manufacturer:	QUANTUM RESEARCH PEPTIDES
Compound/Sample:	NAD+ 1000mg
Lot:	NAD1000-7759
Appearance:	White Lyophilized Powder

Test	Result
Identity	NAD+
Purity	99.28%
Net Content	1043mg

This analysis was conducted using HPLC/MS under standard laboratory conditions. Findings are specific to the submitted sample and intended for research and informational use only.
