

TRU - GP100

GENERAL PURPOSE SILICONE SEALANT

Product Description

TRU-GP100 is a 100% general purpose silicone sealant that is waterproof & mould resistant. Ready for water exposure in as little as 30 minutes & is ideal for sealing sinks, tubs, showers, fixtures, countertops, backsplashes & all plumbing works. With excellent adhesion & smooth application, it is permanently flexible, with low odour & no discolouration.

PACKING

Packing	Colour	Quantinty / Carton
280/300ML	Translucent White	24 cartridges

TECHNICAL DATA

Property	Value
Density	1.0g/ml
Tack free time (23 ± 2°C, 50 ± 5 Humidity)	5min - 10mins
Shore A Hardness	28
Slump or Flow	0mm
Tensile Strength	0.7Mpa
Elongation at break	280%
Service temperture range	4°C - 40°C

SPECIAL CHARACTERISTICS

- 100% Silicone Sealant
 - High Performance, Excellent Adhesion
 - Resistant to UV degradation and Weathering
 - Long term Mold and Mildew Resistant
 - Adheres to porous surfaces unlike other 100% silicone
 - Low odor, non corrosive to most metals
 - Low compression set and excellent oil resistance
- Metal Building and Portable Housing Applications
 - Glass Glazing
 - Formed in place gaskets (low swell, good oil resistance)
 - Ideal for sealing a wide range of kitchen and bath projects such as sinks, tubs, showers, fixtures, countertops, backsplashes and additional plumbing applications

TYPICAL APPLICATION

- General Sealing and Waterproofing
- General Construction
- Vinyl, aluminum, and metal siding
- General Industrial Applications

SAFETY & STORAGE

- Keep contents out of reach of children. In case of contact with eyes, please rinse eyes with plenty of water and seek medical advice as soon as possible
- Store in a cool, dry, non-humid place to ensure long shelf life.
