

Looking smart. Learning together. Feeling proud.

At our school we wear our uniform with pride. It helps us feel part of our school community, keeps us safe and ready to learn.

HATS

Wear the correct school sun hat.

Baseball caps and other non-school hats are not allowed.

FOOTWEAR

Wear closed-toe shoes that are safe for school.

Crocs, thongs, slides and other open-toed shoes are not allowed.

JUMPERS & TOPS

Wear a WPS jumper/jacket or an approved plain red top.

Non-school jumpers, hoodies and other colours are not allowed.

HOW IT WORKS

1

A friendly chat

A staff member will quietly and discreetly ask why you are not in the correct uniform or are wearing the wrong item.

2

Listen

We understand there may be a valid reason.

3

Follow the process (if needed)

If there is no valid reason, you will be asked to go to the office for support.

4

Get what you need

You can borrow a WPS jumper for the day. Baseball caps will be handed to the Principal for safekeeping.

5

Collect at the end of the day

You can collect your cap from the Principal at the end of the day. Borrowed jumpers are returned to the office.

WHAT STAFF MIGHT SAY

Initial question (discreet and friendly)

"I noticed you're not wearing the correct school uniform today. Is there a reason for that?"

If there isn't a reason

"Thanks for explaining. Our school expectation is red up top and navy down the bottom, with the correct hat and safe footwear. Please head to the office and we'll follow our uniform process today."

Non-school jumper

"That jumper isn't part of our school uniform. Please head to the office and we'll lend you a school jumper for today."

Baseball cap

"Baseball caps aren't part of our school uniform. I'll take care of it for you and you can collect it from the Principal's office at the end of the day."

PLEASE REMEMBER

- Wear the correct school sun hat.
