WEDDING VENUE

Smith Lake Farm

Nestled in Nature

Smith Lake Farm is a family owned and operated farm in the heart of the Comox Valley. The 90 acre property borders a small lake and wilderness area where 6 glamping sites dot the landscape.

Along with raising honeybees and grass fed cattle, Smith Lake Farm offers accommodation stays, beekeeping classes, a disc golf course and sauna experiences.

Staying with us

Glamping at Smith Lake Farm is a memorable way to begin your new journey together.

A 3 nights stay in our 6 glamping tents and Tiny House is included in our wedding package. That's room for you and 30 of your favorite people.

Smith Lake Farm Glamping includes hotel style beds and bedding, private outhouse for each site, private kitchen tents at each site with trifold mattress for the little members of your group.

Planning

Hannah DeVries, owner of Island Impressions Events, brings over 6 years of creative design experience and a strong background in event planning and coordination. She blends strong organization with thoughtful styling to create weddings that feel personal, relaxed, and beautifully intentional.

Known for her calm approach and attention to detail, Hannah supports couples with décor planning, timelines, and vendor coordination to ensure the day flows smoothly and reflects their vision.

Beyond weddings, Hannah designs boutique events across Vancouver Island including luxury private proposal and bridal shower picnics at Smith Lake Farm.

FLORALS

Wild Bee Florals

From Farm to Vase

Wild Bee Florals is a local flower farmer and designer offering farm grown flowers and seasonal designs. Committed to ethical practices and regenerative farming, they aim to connect science, art, and culture to their community.

We have worked with Thanu countless times over the last few years and trust her vision and expertise to create something that is seasonal and incredible.

Beauty Everywhere

Meredith's Photography can be found on every page of this book. Meredith fell in love with the art at 11- capturing beauty in small things. Her art grew with her, and she now specializes in capturing the connection and moments shared between couples and families in natural settings. Creating life as art and giving her clients beautiful, everlasting memories.

VIDEOGRAPY

Hometown Creative

With over 15 years of filmmaking experience, I bring a story-driven approach that evokes emotion and delivers real value through creative concepts, planning, filming, and editing.

I'm passionate about creating videos that connect people and tell a story and would be honored to tell your love story.

My goal is to create films that feel personal and timeless, while giving couples versatile content they can share with family and friends across platforms.

BARTENDER

*Wildcoast
Cocktails*

Wildcoast Cocktails

They bring elevated, West-Coast-inspired beverage service to every event, with craft bartenders, a live-edge bar setup, custom menus (cocktails, mocktails, beer, wine, and more), and all the extras — glassware, garnishes, décor, and clean-up included. Whether it's a sunset toast or the final dance, Wild Coast Cocktails turns drinks into memories that flow as naturally as the moment.
