NUTRAMAMA

Multivitamin with Multimineral Tablets

Complete daily nutritional care for breastfeeding mothers.

NutraMama is a comprehensive multivitamin and multimineral supplement developed for women during breastfeeding. Its balanced blend of essential vitamins and minerals helps support the mother's nutritional requirements, energy metabolism, immunity and general wellbeing during the demanding postnatal period.

WHY CHOOSE THIS PRODUCT

Specially positioned for breastfeeding and postnatal nutritional support

Includes vitamin D3, vitamin C, vitamin E and B-complex vitamins

Provides iron, calcium, magnesium, zinc and iodine

With folic acid, selenium, copper and other essential micronutrients

Convenient once-daily tablet format

DIRECTIONS & IMPORTANT INFORMATION

Take one tablet daily with a main meal, or as recommended by a healthcare professional. Food supplement - not a substitute for a varied, balanced diet and healthy lifestyle.
