DERMIVORA

Purifying Cleansing Gel

Deep cleansing and sebum control without over-drying.

Dermivora Purifying Cleansing Gel is recommended for daily cleansing of oily, combination and acne-prone skin. It removes make-up and impurities without drying, helps regulate sebum secretion and leaves the skin feeling fresh and comfortable. The formulation offers antibacterial, antifungal, anti-inflammatory, moisturising and soothing properties.

WHY CHOOSE THIS PRODUCT

Deeply cleanses the skin without drying

Helps inhibit acne-associated microorganisms, including *C. acnes* and *S. epidermidis*

Helps regulate sebum production

Anti-inflammatory, moisturising and soothing effects

Suitable for removing make-up

May also be used by men as an alternative to shaving foam

DIRECTIONS & IMPORTANT INFORMATION

Apply to wet skin, massage gently and rinse thoroughly. When shaving, work into a light lather before use. Avoid direct contact with the eyes.
