1. Jurisdiction and Competency

I, Me, My, Myself, :PLENIPOTENTIARY-JUDGE: :Mark-Michael Jr: Spivey, a living man, Sui Juris, Private American National, and Secured-Party Creditor, do hereby solemnly Affirm and Declare that I am competent to testify, that I have firsthand knowledge of the facts contained herein, and that I make this Affidavit under **Title 28 U.S.C. § 1746(1)**.

This Affidavit is made in Good Faith under **Federal Rules of Civil Procedure Rule 9(a)** and **Rule 17(a)**, which require Proof of Capacity and Real Party in Interest, as well as **Rule 11(b)**, which binds all Public Officers and Agents to act Truthfully and Lawfully.

2. Nature of the Action

This Sworn Testimony is transmitted as **Witness Evidence** and **Administrative Record** to document the actions of the Persons identified herein who, acting in concert, have engaged in a pattern of manipulation, deception, and coercive behavior toward the Affiant.

These acts have resulted in measurable mental, emotional, and physical harm to the Affiant over the course of their lifetime. The purpose of this record is to preserve first-hand evidence of such conduct and to establish a factual basis for any future Administrative and/or Judicial Remedy.

3. Statement of Facts

1. I, Me, My, Myself, :PLENIPOTENTIARY-JUDGE: :Mark-Michael Jr: Spivey., being of Lawful age and sound mind, Affirm that the following statements are true, correct, and based upon my own personal knowledge, observation, and experience.
2. The Persons identified in the Affidavit ("Respondents") are members of my immediate and extended family, whose identities are known to me and listed in Exhibit A.
3. Over the course of my lifetime, beginning approximately in or around 5 years old, these Respondents have engaged in a recurring pattern of conduct that has caused the Affiant significant mental, emotional, and physical distress.
4. Said conduct includes, but is not limited to, acts of manipulation, physical abuse, verbal degradation, intentional misrepresentation of facts, coercion, and withholding of truth for personal or collective gain.
5. On numerous occasions, Respondents have knowingly or recklessly provided False Statements regarding the Affiant's character, circumstances, or Lawful standing, resulting in reputational harm and emotional anguish.
6. Certain Respondents have willfully interfered with the Affiant's Private Affairs and Lawful pursuits, including but not limited to causing interference with relationships between family members and friends, colluding with former women the Affiant was either married to, or dating to unlawfully retain monetary funds without the Affiant's consent or authority. It is currently believed the aforementioned Persons have forged or manipulated legal documentation to gain access to assets which belonged to the Affiant for their Personal Gain, depriving the Affiant of access to funding which has resulted in homelessness and lack which would never have occurred without their unlawful actions.
7. The Affiant has made multiple attempts to resolve these matters privately, through direct communication and written notice, requesting acknowledgment, correction, and cessation of harmful behavior. No satisfactory remedy has been provided.
8. The cumulative effect of these actions has resulted in measurable emotional trauma, stress-related physical symptoms, and the obstruction of the Affiant's right to peace, privacy, and personal security.
9. The Affiant asserts that all statements herein are made in Good Faith, solely for the purpose of preserving a truthful Record of personal experience, not for defamation, retaliation, and/or malice.

10. The Affiant is currently awaiting the completion of a FOIA Request from the US Treasury, USPS, and US Department of State regarding Bond Payments, and additional information which shall validate any payment(s) that have been rendered to the Affiant.

4. Harm and Damages

11. As a direct and proximate result of the conduct described above, the Affiant has suffered substantial & ongoing harm affecting multiple aspects of life and well-being.

12. Emotional and Psychological Harm:

The Affiant has experienced prolonged emotional distress, including anxiety, loss of sleep, hyper-vigilance, and difficulty maintaining normal interpersonal relationships. These conditions are directly correlated with repeated patterns of verbal aggression, manipulation, and betrayal by the Respondents.

13. Physical Manifestations:

The mental stress and anguish caused by Respondents' actions have produced measurable physical effects, including fatigue, tension headaches, and other stress-related symptoms, as documented in medical or personal wellness records.

14. Financial and Property Harm:

Certain Respondents have interfered with or caused loss of personal or family property, monetary resources, or contractual opportunities belonging to the Affiant.

15. Reputational Harm:

False or misleading statements made by Respondents to third parties have adversely affected the Affiant's reputation and credibility within the community, hindering personal and professional opportunities.

16. Spiritual and Familial Harm:

The cumulative effect of deceit and coercion has disrupted the Affiant's Spiritual peace and the natural trust expected within a family unit, leading to estrangement, loss of confidence, and the erosion of familial integrity.

These harms are continuing in nature and have required the Affiant to undertake self-protective actions, including limited communication, private counseling, and formal documentation of all future interactions.

The Affiant reserves the right to pursue appropriate Administrative, Equitable, &/or Judicial Remedies to obtain Redress, Restitution, and/or Injunctive Relief.

5. Notice and Demand for Remedy

The Affiant hereby provides lawful notice to all Respondents named or described in this Affidavit that the conduct, omissions, and injuries outlined herein are deemed ongoing and actionable until properly addressed and remedied.

Pursuant to the inherent right of any living man to seek redress for wrongs and to prevent further harm, the Affiant demands that each Respondent immediately cease any further act of harassment, manipulation, & interference with Affiant's peace, property, or private affairs.

The Affiant further demands a written acknowledgment and response under oath or affirmation within ten (10) calendar days of receipt of this Affidavit, stating whether each Respondent disputes any fact contained herein and providing verifiable evidence in support of such dispute.

Failure to respond within the time prescribed shall constitute tacit agreement and admission of the truth of all statements contained in this Affidavit, establishing estoppel and personal liability for any continuing harm.

Respondents hereby noticed that continued actions or omissions resulting in harm to the Affiant shall result in Civil and Criminal accountability under applicable provisions of Federal and International Law.

The Affiant acts in Good Faith and Without Malice, seeking only truth, accountability, and restoration of assets unlawfully withheld.
