COMMON LAW NAME CHANGE/REVERSION

STATE OF FLORIDA, COUNTY OF OSCEOLA

BEFORE ME, the undersigned authority personally appeared **MICHAEL MANUEL SPIVEY**, being first duly sworn, disposes and records the following statements of facts:

PRIVATE INFORMATION

I, **Me, My, Myself, Michael Manuel Spivey ©**, hereby submit this Actual & Constructive Notice of Name Change [Reversion] under the Principals of Common Law. As such, I now declare my name reversion to be known by only the following in my Private Capacity; **I, Me, My, Myself, Mark Michael Spivey Jr. ©**, born on the **20th day of November 1986** in **Lakewood, New Jersey [Republic], united States of America**. My temporary domicile is located within Florida at the address: c/o 429 New York Avenue Apartment B, Saint Cloud, Florida [Republic], united States of America.

DECLARATION OF NAME CHANGE/REVERSION

I hereby declare that I have recorded this Common Law Name Change/Reversion to my original name recorded at birth: **Mark-Michael Spivey Jr. ©** from the fraudulently altered name **MICHAEL MANUEL SPIVEY©**, occurred **25 OCT 88**.

PURPOSE OF NAME CHANGE/REVERSION

The purpose of this name changes for personal reasons and not for any fraudulent or illicit/illegal purpose[s], nor will it infringe upon the Rights of any other person[s]. Furthermore, The reason I have chosen to complete the name change reversion is rooted deeply in the profound sense of self-discovery through immense adversity. For as long as I could remember, my mother proceeded to inform me that "My dad is an *****, he hated me, wanted nothing to do with me, & left me when I was only days old." My entire life, whenever I attempted to ask her about my father, I was immediately told that statement until I was 12 years old. She finally said I am not allowed to ask her about him anymore, and never told me the **Original Certificate of Live Birth** record shows my name as: **Mark Michael Spivey Jr. ©**. After nearly 2 years my dad **ALLEGEDLY** signed a document agreeing to my name change, but my mother reported to my she had not seen him since he left me when I was only days old.

When I met my dad for the first time at **26 YEARS OLD**, he called me by my birth name, **Mark**. My father shared his side of the story, and what transpired between them. After compiling all the facts, knowing my "mother" [and her family], **I AM** confident in my decision, having determined my mother [or her family member] **DEFINITELY** forged my father's signature to have my name changed to **MICHAEL MANUEL SPIVEY©** on 25-OCT-1988. My father and mom were together for approximately 11 months, but my mom spent **MY ENTIRE CHILDHOOD** using **Me, Mark Michael Spivey Jr. ©**, as a weapon to hurt my father, Mark Spivey. By changing my name without his knowledge, claiming it was an "Administrative Error" she attempted to ensure he would not be able to locate me. One of the last things she ironically said to my father was that I, Mark Michael Spivey Jr. © would never know him, but ironically today, my father and I have an **INCREDIBLE** relationship, and I no longer communicate with my mother, or any of her family members from all the lies.

USE OF NAME CHANGE

I have since about 2018 and will continue to utilize the name **Mark-Michael Spivey Jr. ©**, in all Private and Lawful matters, and request that I be recognize by this name for the remainder of my life. In matters dealing with Commerce, **I, Mark-Michael Spivey Jr. ©**, have the exclusive authority, if necessary, and on my own free will, may utilize the Trade Name/Legal Fiction created without my knowledge & now control. I will establish differences between the Sovereign Living Man & legal fiction below, for immediate identification purposes, including but not limited to the use of color, style, and abbreviation in name[s]. Pursuant to **8 FAM 403.1-4(A)(6)**:

"I absolutely renounce, relinquish, and abandon the use of my former name Michael Manuel Spivey and assume, adopt, and determine to take and use for the date hereof the name Mark Michael Spivey Jr. © in substitution or my former name."

I declare under Penalty of Perjury this was executed on the **10 day of July 2024**, and that the foregoing is true and correct.

WITNESS TESTIMONY

In Support of Common Law Name Change/Reversion

WITNESS: I, MARK D. SPIVEY, hereby affirm and declare the following statement about my son Mark Michael Spivey Jr.'s name. When Mark was born, his name at birth was Mark Michael Spivey Jr. but at some point, when he was taken from me, his mother proceeded to tell me that I would never know him, and then spent the remainder of his childhood keeping him from me and using him as a weapon. I never provided Mark's mother, nor her family, with permission to change, alter, nor Authorized to switch marks name to MICHAEL MANUEL SPIVEY.

I support my son's decision to file for and adopt his Common Law Name Change/Reversion at his original name at birth, as it was never supposed to be changed to begin with. His name was changed nearly three years after being born, under the notion of an "administrative error" but how could I have signed a name change, or agreed to the authorization for a name change within the courts when I never saw my son until he was 26 years old, after his mother took him?

RELATIONSHIP: My relationship to the declaring is I AM HIS FATHER

-⊙- PUBLIC LAW 97-280 CONSTITUTIONAL CHALLENGE & JUDICIAL CHALLENGE OF RULE NISI IN NISI PRIUS COURTS -⊙-

Pursuant to Public Law 97-280, enacted by the 97th Congress of the United States of America, which designated 1983 as the "Year of the Bible." This law underscores the pivotal role of the Bible in influencing values, principles, and the very foundation of all legal framework within the U.S. The acknowledgment of Public Law 97-280 affirms the Individual's Inherent Rights to religious freedom, cultural expression, and the public recognition of historical influences. Since then, MANY States have passed quasi-laws known as Statutes preventing and restricting the very same Inherent Rights afforded by Universal Law, Sovereignty, State and Constitutional[s]/Law[s]. FURTHERMORE, **NOTICE** is given to all Title Courts operating under the Nisi Court System, that must abide by and follow Rule Nisi. If a Court can require "Compelled Performance," it is because it is enforcing a Contract. In Hornbook Law, all Contracts are either in "Equity" or "Admiralty" for enforcement purposes. As such, all Courts Must take this Actual and Constructive Judicial Notice and MUST Dismiss the Matters if the Prosecution is not able to produce a Contract and prove with ADMISSIBLE EVIDENCE, effectively invoking the authority of the Court. Hearsay and Presumptions WILL NOT be permitted since Due Process is secured by My State's Constitution.

I, **Me, My, Myself, Mark Michael Spivey Jr.©**, drafted the following chart for a visual reference of the scheme being perpetrated against society. The following detailed diagram perfectly displays the various corporate entities and legal structures associated with Michael Manuel Spivey from birth, and incorporates each into sections for Foreign, Domestic and Nonprofit Entities. Each corresponding legal entity has a compatible application and Articles of Incorporation, Merger, Conversion, and Share exchange as it correlates to every birth certificate & social security card holder. The diagram shows a complex legal and financial network with which all such person[s] mentioned, have been assigned and are legally applicable without their knowledge. These identifiers highlighting the overarching deceptive and fraudulent scheme set in place to enslave society through manipulative systems being masqueraded as something it's not. For example, in the United States, most Americans do not understand and comprehend their Birth Certificates are actually a Bond, as they are printed on Bond paper with a Bond #, and issued by a "Bank."

In accordance with the **Emancipation Proclamation** issued by **Executive Order of President Abraham Lincoln On January 1, 1863**, and the still-standing order of Abraham Lincoln acting as **Commander-in-Chief of the United States Army and Navy**, **all Federal Officers and Government Officials in every capacity and at every level are given Notice** of the following:

That on the first day of January, in the year of our Lord one thousand eight hundred and sixty-three (1863), all persons held as slaves within any State or designated part of a State, the people whereof shall then be in rebellion against the United States, shall be then, thenceforward, and forever free; and the Executive Government of the United States, including the military and naval authority thereof, will recognize and maintain the freedom of such persons, and will do no act or acts to repress such persons, or any of them, in any efforts they may make for their actual freedom." President & Commander-in-Chief. The President issued the Emancipation Proclamation in the midst of the Civil War by an Executive Order on January 1, 1863, under his authority as Commander in Chief of the Army and Navy, pursuant to Article II, section 2 of the United States Constitution, and relying on martial power to suspend Civil Law in those states which were in rebellion; and

WHEREAS, The **Emancipation Proclamation** applied in ten states, specifically: Arkansas, Texas, parts of Louisiana, Mississippi, Alabama, Florida, Georgia, South Carolina, North Carolina, and parts of Virginia, that were still in rebellion in 1863; it did not cover the nearly 500,000 slaves in the slave-holding border states of Missouri, Kentucky, Maryland, or Delaware; and

WHEREAS, The **Proclamation** provided the legal framework for the emancipation of nearly all four million slaves as the Union Armies advanced, and committed the Union to ending slavery, which was accomplished by July 1865 when nearly all four million slaves were freed; and

WHEREAS, The **Proclamation** also announced that the freed slaves would be accepted into the Union Army and Navy, enabling the liberated to become liberators, so that by the end of the war almost 200,000 African American soldiers and sailors had fought for the union and freedom; and

WHEREAS, The **Proclamation** served as a forerunner to the passage by the Congress of the United States, and the ratification by the states in 1865, of the Thirteenth Amendment which ensured the abolition of slavery everywhere in the United States; and That numerous persons named after states and people have been press-ganged, kidnapped, and enslaved for the profit of private, mostly foreign-owned Corporations and that those persons have been deliberately manipulated by those responsible so as to bring false claims against the actual States of the Union & the actual people of the U.S.

SERIOUS EMERGENCY EXTANT

"Be it enacted by the Senate and the House of Representative of the United States of America in Congress assembled, That the Congress hereby declares that a serious emergency exists and that it is imperatively necessary speedily to put into effect remedies of uniform national application." **"Whereas, under the Act of March 9, 1933, all Proclamations heretofore or hereafter issued by the President pursuant to the authority enforced by section 5(b) of the Act of October 6, 1917, as amended, are approved and confirmed;"** [President Roosevelt's Proclamation 2040]. "During time of war or during any other period of national emergency declared by the President, the President may, through any agency that he may... regulate, or prohibit under such rules and regulations... by means of licensure... any... transactions of credit between or payments by banking institutions as defined by the President, and ...currency, by any person within the United States or any place subject to the Jurisdiction thereof." [Title 1, Sec. 2, 48 Stat. 1, March 9, 1933]

"Bank holiday of 1933. Presidential Proclamations No. 2039, issued March 6, 1939, and No. 2040, issued March 9, 1933, temporarily suspended banking transactions by member banks of the Federal Reserve System... The first proclamation, it was held, had no authority in law until the passage on March 9, 1933, of a ratified act [12 U.S.C.A. § 95(b)]. The present law forbids member banks of the Federal Reserve System to transact banking business, except under regulations of the Secretary of the Treasury, during an Emergency Proclaimed by the President. 12 U.S.C.A. § 95." [Black's Law Dictionary, 5th Edition].

"The Secretary of the Treasury will issue licenses to banks which are members of the Federal Reserve system whether national bank or state, located in each of the 12 Federal Reserve bank cities, to open Monday morning." [President Roosevelt's papers] "When required to do so by the Secretary of the Treasury, each Federal Reserve agent shall act as agent of the Treasurer of the United States or of the Comptroller of the currency, or both, for the performances of any functions which the Treasurer or the Comptroller may be called upon to perform in carrying out the provisions of this paragraph [48 Stat. 1].

"Whenever in the Judgment of the Secretary of the Treasury such action is necessary to protect the currency system of the United State, the Secretary of the Treasury, in his discretion, may regulate any or all Individuals, Partnerships, Associations and Corporations to pay and deliver to the Treasurer of the United States any or all gold ...Whoever shall not comply with the provisions of this act shall be fined not more than \$10,000 or if a natural person, may in addition to such fine may be imprisoned for a year, not exceeding ten years." [Stat 48, Section 1, Title 1, Subsection N, March 9, 1933].

"During this banking holiday it was at first believed that some form of script or emergency currency would be necessary for the conduct of ordinary business. We knew that it would be essential when the banks reopened to have an adequate supply of currency to meet all demands ...On March 7, 1933, the Secretary of the Treasury issued a regulation authorizing clearing houses to issue demand certificates ...this authority was not to become effective until March 10th ...after the passage of the **Emergency Banking Act of March 9, 1933** [48 Stat. 1] ...the act made possible the issue of the necessary amount of emergency currency in the form of Federal Reserve Bank Notes which could be based on any sound assets owned by the banks" [Roosevelt's Papers]. "That every provision contained in or made with respect to any obligation which purports to give the oblige a right to require payment in gold or particular kind of coin or currency, or in as amount of money of the United States measured thereby is declared to be against public policy; and no such provision shall be contained in or made with respect to any obligation hereafter incurred." [THE GOLD REPEAL ACT of June 5, 1933].

The new currency was supposed to be Federal Reserve Bank Notes. These notes were to be backed by **"direct obligations of the United States"** which are Treasury notes. However, what we have today in circulation is emergency script, or for lack of a better term emergency [non-value] currency. The treasury on its own website has admitted that the Federal Reserve note, [not to be mistaken for the Federal Reserve bank note, which is backed by the *full faith and credit of the United States government*, i.e., legal tender], has no value at all, and is backed by nothing- Federal Reserve Notes are not redeemable in gold, silver, or any other commodity, and receive no backing by anything This has been the case since 1933. The notes have no value for themselves."

This can be further proven by excerpts from the Congressional Record during the debate over the **Emergency Banking Act of 1933**, which recorded as:

a. [Mr. McPhadin]: "It is difficult under the circumstances to discuss this bill. The first section of the bill, as I grasped it, is practically the war powers that were given back in 1917, with some slight amendments. The other gives Supreme Authority to the Secretary of the Treasury of the United States to impound all the gold in the United States in the hand of individuals, corporations, or companies for the purpose, I suppose, of bringing together that gold and making it available for the issuance of Federal Reserve notes. The third section deals with how banks are to be handled under this authority, how bank assets are to be frozen, and deals with the question of limited receiverships and receiverships. The last question of the bill provides for the issuance of a new money I am a little at loss, in the hurried way I have had to read the bill, to understand just how this new money is to be handled I refer to section 401 which reads:

"Upon deposit with the Treasurer of the United States of all contract obligations of the United States, or any notes-

b. [Mr. Steagall]: "This provision is for the issuance of Federal Reserve Bank Notes; Not Federal Reserve Notes; the security backing its obligations, notes, drafts, bills of exchange, bank acceptances, outlined in the section the gentleman has referred."

1. In 1934 the Supreme Court announced that that banking emergency was still ongoing **HOME BLDG. & LOAN ASS'N v. BLAISDELL, (1934)** "Appellant contests the validity of Chapter 339 of the Laws of Minnesota of 1933, p. 514, approved April 18, 1933, called the Minnesota Mortgage Moratorium Law, [290 U.S. 398, 416]. The state court upheld the statute as an emergency measure. Although conceding that the obligations of the mortgage contract were impaired, the court decided that what it thus described as an impairment was, notwithstanding the contract clause of the Federal Constitution, within the police power of the State as the power was called into exercise by the Public Economic Emergency which the Legislature had found to exist. Attention is thus directed to the preamble and first section of the statue which described the existing emergency in terms that were deemed to justify the temporary relief which the statue affords.

2. The Supreme Court of the United States stated that case that started April 1933 was relevant to the EMERGENCY DECLARED TO EXIST, in the **present**

26. ADDITIONAL COLLATERAL DESCRIPTION:

3. The Supreme Court of the United States stated that case that started April 1933 was relevant to the EMERGENCY DECLARED TO EXIST, present tense.
The Emergency was not to end until there was another Executive Order/Declaration."

Recognizing the limitations of the legal authority the President had cited for his Declaration of a National Bank Holiday, the legislation amended § 5(b) of the Trading with the Enemy Act to allow it to be used not only in time of war, but also "during any other period of national emergency declared by the President." The banking legislation also declared that "a serious emergency exists," conferred extensive discretionary powers over the banking and currency systems on the President and the basis of this expansive Statutory Authority, the President in Proclamation No. 2040 on March 9, 1933, extended the national emergency and the bank holiday he had declared on March 6 "until further proclamation by the President." In the middle of that decade the Senate created a Special Committee on National Emergencies and Delegated Emergency Powers to conduct an investigation into Presidential use and abuse of emergency powers. On the basis of that Committee's findings and recommendations, Congress in 1976 enacted the "National Emergencies Act." The Act repealed several many statutory delegations of emergency powers and, in addition, imposed a number of controls on the President's exercise of emergency powers, as follows:

[i] With one pertinent exception, it terminated "all powers and authorities possessed by the President, any other officer or employee of the Federal Government, or any executive agency, ... as a result of the existence of any declaration of national emergency in effect on September 14, 1976." The Senate Special Committee had found that not only President Roosevelt's 1933 Proclamation of a National Emergency but also a Proclamation by President Truman and two by President Nixon were still extant. Technically, the National Emergencies Act did not repeal or terminate those four declarations of national emergency.
[ii] "EXTANT" is the legalese word, it means still in existence, still active, still binding, still alive, it means that it has not been repealed. This was the 1976 Senate stating for a fact, that the Declarations issued by President Roosevelt in 1933 respecting the National Emergency, were still in effect, imagine that we are still in a "National Emergency" after all these years, allowing the Government to "legally" but not LAWFULLY.

4. It must be noted that the emergency holiday foresaw the necessity for ordinary business to be conducted, however, this was with the provision that there would be an adequate supply of currency to meet demand, I never received my adequate supply of currency as was promised and as such I cannot operate or conduct ordinary business during the emergency, which means my government has failed to provide me a remedy which it is under obligation to do so. Provisions of this section are concerning, and from these we can deduce that there was no intention of Congress to stand behind Federal Reserve Notes, as the Statute known as the Emergency Economic Banking Relief Act [EBRA] on March 9, 1933, but never authorized the use of Federal Reserve Notes, it specifically stated that they were to be Federal Reserve Bank Notes.

[c] [Mr. Britten]: "From my observations of the bill as it was read to the House, it would appear that the amount of bank notes that might be issued by the Federal Reserve System is not limited. That will depend entirely upon the amount of collateral that is presented from time to time in exchange for banknotes. Is that not, correct?"

[d] [McFadden]: "Yes, I think that is correct."

The United States is STILL in a State of "National Emergency" which began with the Proclamation 2039 [1933], Proclamation 2040 extended it by the National Emergencies Act [1976], Patriot Act [2001], & the National Defense Authorization Act, which STILL receives annual revisions today!

****TRANSMITTING UTILITY** is defined as an Agent utilized for the purpose of transmitting commercial activity for the benefit of the Secured Party. The DEBTOR is a LEGAL ENTITY according to the UNIFORM COMMERCIAL CODE [U.C.C.]. DEBTOR is NOT claiming to be a "PUBLIC" Utility.

Additional Considerations to a "Transmitting Utility" in accordance with NAICS 221121; Electric Power Transmission Control, and Distribution. The Secured-Party successfully identifies the DEBTOR as a "Transmitting Utility" by which the major pathways in the body such as arteries, which carry large amounts of blood [ENERGY] to the different parts of the body [REGIONS]. Furthermore, the Secured-Party has successfully identified "Electric Power Distribution" by which the capillaries in the body, which distribute blood (energy) to smaller, localized areas, ensuring that all parts of the body receive the necessary nutrients and oxygen. The Secured-Party also successfully identified "Electric Power Generation" by which the body's process of generating energy through cellular respiration, and converting nutrients in the usable energy. My living body generates energy through metabolic processes and then distributes this energy through metabolic processes and then distributes this energy through metabolic cells and organs, similar to how electricity is generated at power plants and transmitted through power lines, to homes & businesses. Utilities generate, transmit, & distribute electric power, ensuring a continuous flow of electricity from power plants to end users. This process involves large transmission lines [like arteries] & smaller distribution networks [capillaries]. Secured-Party claims their qualifications for "Telecommunication Distribution" by which digital & analog signals [including data, voice, & video communications] are transmitted through wired AND wireless networks, as does DEBTOR & SP.
