WITNESS TESTIMONY

In Support of Common Law Name Change/Reversion

WITNESS: I, MARK D. SPIVEY, hereby affirm and declare the following statement about my son Mark Michael Spivey Jr.'s name. When Mark was born, his name at birth was Mark Michael Spivey Jr. but at some point, when he was taken from me, his mother proceeded to tell me that I would never know him, and Then spent the remainder of his childhood keeping him from me and using him as a weapon. I never provided Mark's mother, nor her family, with permission to change, altar, nor Authorized to switch marks name to MICHAEL MANUEL SPIVEY.

I support my son's decision to file for and adopt his Common Law Name Change/Reversion to his original name at birth, as it was never supposed to be changed to begin with. His name was changed nearly three years after being born, under the notion of an "administrative error" but how could I have signed a name change, or agreed to the authorization for a name change within the courts when I never saw my son until he was 26 years old, after his mother took him?

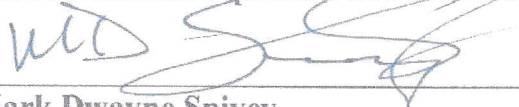

RELATIONSHIP: My relationship to the declaring is **I AM HIS FATHER** [Attach; TX B.C.]

CONCLUSION: This testimony is true, complete, and correct to the best of my knowledge, and I make it under penalty of perjury under the public law, the United States of America.
