CORPORATE PARTNERSHIPS

Partner with *purpose.*

Join Douma Zamba Charity in giving orphans and vulnerable children in Cameroon education, food and care, and give your team a cause they can see the results of.

WAYS YOUR COMPANY CAN GET INVOLVED

1 Sponsor students

$500 covers one child's full tuition for a year. Sponsor one student, a whole class or an entire orphanage.

2 Match employee giving

Match your team's gifts or offer payroll giving that supports our **No Child Left Behind Challenge** to reach 1,000 children.

3 Host a workplace drive

Run a School Supply or Medicine & Health Drive at your office, paired with a funds drive. We provide the fliers.

4 Give in kind

Donate products, school supplies, over-the-counter medicine or help covering the cost of shipping to Cameroon.

5 Sponsor an outreach

Fund a hot-meal day, a food distribution or a medicine outreach, and be recognized as its sponsor.

6 Share your expertise

Offer skilled volunteer time in areas like marketing, design, accounting, legal or technology.
