How to Host *a Drive*

Everything you need to run a supplies + funds drive for Douma Zamba Charity at your school, church, office or neighborhood.

1 Choose your drive

Pick a School Supply Drive or a Medicine & Health Drive. Then let us know you're hosting through doumazamba.org so we can support you and plan for your donations.

2 Set your dates, place and goal

One to two weeks works well. Choose a visible drop-off spot and set a goal for both items and dollars, such as 100 notebooks and $500.

3 Spread the word

Fill in the flier, print it and post it. Share it by email, in group chats and on social media. Remind people that every gift helps, even a single pen or $5.

4 Collect items and funds

Set out a labeled box for supplies. Point donors to doumazamba.org to give online. Monetary gifts cover shipping and local needs like tuition and exam fees.

5 Deliver and celebrate

Contact us to arrange drop-off or shipping. Share your totals with your group and thank everyone who gave. We'd love photos to share too!

Ideas to boost your funds drive

Match challenge
Ask a local business or leader to match every dollar raised.

Dress-down day
Coworkers or students give $5 to dress casually for a day.

Bake or lemonade sale
All proceeds go toward shipping and tuition.

No child left behind.
