MAXIFY GX5520X MegaTank Inkjet Printer

Designed to meet the needs of remote workers and targeted work environments where cost is a primary consideration, the MAXIFY GX5520X MegaTank Inkjet Printer delivers business-quality printing for generally lower-volume usage.

MAXIFY GX5520X
Single Function Printer

HIGH PAGE YIELD: Print up to 6,000 Black/ 14,000 Color pages per ink set[1]

FAST PRINT SPEEDS: Print up to 24 images per minute (ipm) Black / 15.5 ipm Color[2]

VERSATILE MEDIA SUPPORT: Print on a variety of paper types from standard sizes up to 8.5”(W) x 14”(L)

USABILITY

- 2.7” intuitive color touch screen.
- Easy Setup for smartphone and computer so you can get to work faster.
- Ink bottles have a “keyed nozzle” design that only fits and fills the correct color ink tank to avoid misuse.
- Designed with a small footprint to fit a variety of workspaces.
- Legal paper supported through the lower front cassette.

PERFORMANCE & DEPENDABILITY

- A 4-Color Pigment Ink System provides sharp, highlighter-resistant documents.
- Built to last. Printer recommended for lower-volume usage but can handle more when called upon.
- Stay waste-conscious. Thanks to high page yield ink bottles, keep waste and time spent refilling ink to a minimum.
- Both the printhead and maintenance cartridge are easily replaceable should the need arise.

PRODUCTIVITY & COST SAVINGS

- Supports mobile solutions for printing.
- Print on a wide variety of paper types and sizes.
- Low cost per print after initial inks are depleted.

SUSTAINABILITY

- Pulp molding packing material is now utilized as a sustainable packaging solution.
- ENERGY STAR® certified and rated EPEAT® Gold.*

*For current EPEAT rating (Gold/Silver/Bronze), please visit www.epeat.net.

FEATURES

USABILITY

EASY TO FILL
Ink bottles have a "keyed nozzle" design that only fits and fills the correct color ink tank.

2.7" LCD TOUCH SCREEN
Manage your job with an intuitive and easy to use 2.7" LCD touch screen.

SMALL FOOTPRINT
Not only is the MAXIFY GX5520X MegaTank inkjet printer packed with features, it's also designed to fit your workspace.

EASY SETUP
Get running in just a few minutes via a user-installable design.

MOBILE DEVICE PRINTING
Print from your favorite mobile devices using the Canon PRINT Inkjet/SELPHY App[3], Apple AirPrint®[4], and Mopria® Print Service[5].

PERFORMANCE & DEPENDABILITY

SHARP TEXT & DOCUMENTS
Thanks to a 4-color Pigment Ink System, you'll get sharp and highlighter-resistant text.

WIRELESS
Standard WiFi for wireless LAN support.

BUILT TO LAST
Get the job done during busy months with support for high print volumes.

ETHERNET
Built-in Ethernet connection for wired LAN support.

PRODUCTIVITY & COST SAVINGS

MEGATANK MEANS MEGASAVINGS!
Print up to 6,000 Black /14,000 Color pages with just a single set of inks.[1]

TWO 250-SHEET PAPER CASSETTES
Load up to 500 sheets of plain paper with two separate 250-sheet front-loading cassettes!

LEGAL SIZE SUPPORT
Lower front cassette extends to accommodate legal media size!

REAR PAPER TRAY
Easily load envelopes, labels, and more in the rear tray—or up to 100 sheets of plain paper.

VERSATILE MEDIA SUPPORT
Print on envelopes, greeting cards, glossy photo paper, high resolution paper, and more!

POSTERARTIST
Free PosterArtist web design tool included. Easily create custom professional posters, banners, and signage.

Maximize the value of your MAXIFY GX5520X MegaTank inkjet printer with uniFLOW Online

Adding uniFLOW Online Cloud Link Print Connection to your uniFLOW Online subscriptions[6] allows remote workers to seamlessly print documents from their home office, using their MAXIFY GX5520X MegaTank Inkjet Printers.

Organizations and administrators can benefit from detailed reporting[8], identify potential cost savings with comprehensive tracking and management, and release their print jobs using uniFLOW Online's access control features[9], which can now extend to MAXIFY GX5520X MegaTank inkjet printers at home.[6]

The end result—a print infrastructure that's flexible and built for the future of Hybrid Work:

- *Remote workers can print from home, while using security levels set by their organization.*
- *Remote workers can manage their print job statuses from home.*
- *Organizations can centralize print usage and related costs for compatible in-office multifunction printers (MFP) and in-office/at-home MAXIFY GX5520X MegaTank inkjet printers.*

MAXIFY GX5520X

Specifications

PRINT

Print Features	Print
Print Options	Document Printing, Photo Printing, Wireless Printing[10], Mobile Device Printing, Business Card Printing, Greeting Card Printing, Label Printing, Square Media Printing Support, Double-sided Matte Paper Support, Print from USB Flash Drive[7]
Printing Capability	Single Sided/Double Sided Printing (Simplex/Duplex)
Fast First Print Out (FPOT)[2]	As fast as 8 Seconds (from Ready Mode/Simplex/Color)
Print Speed (ESAT)[2]	***Black Document Simplex (Letter)***: Approx. 24.0 ipm ***Color Document Simplex (Letter)***: Approx. 15.5 ipm
Number of Nozzles	Color (C/M/Y): 1,024x3 / Pigment Black: 1,280/**Total: 4,352 nozzles**
Resolution	Up to 600 x 1200 dpi
Media Handling	2 Cassettes: 500 Sheets (250 Sheets/Per Cassette x2) 1 Rear Tray: 100 Sheets **OR** 20 Sheets 4" x 6"
Supported Paper/Media Sizes	4" x 6", 5" x 5" (Square), 5" x 7", 7" x 10", 8" x 10", Letter (8.5" x 11"), Legal (8.5" x 14"), Executive, U.S. #10 ***Custom Size:*** Width: 3.5" - 8.5"/Length: 5" - 47"

MAXIFY GX5520X BASIC DETAILS

MAXIFY GX5520X	
Functions	Print
Total Paper Capacity (Plain Paper)	600 Sheets (2x 250 Sheets/Per Cassette + 100 Sheet Rear Tray)
uniFLOW Online Cloud Link Print Connection	YES
Printer Size (closed) (LxWxH)	15.8” x 16.2” x 11.8”
Printer Size (trays extended) (LxWxH)	15.8” x 25.2” x 15.5”
Printer Weight	Approx. 22.9 lbs.

1 Claim is based on page yield of 6,000 Black/14,000 Color pages per ink bottle set and MSRP (USD) of $126.96 for full set of GI-26 ink bottles (1 bottle each of Cyan, Magenta, Yellow, Black) as of March 2021. Page yield of color inks is an average yield of cyan, magenta, and yellow inks combined. Page yield of included ink bottles used for initial setup is lower than the replacement ink bottles, as a certain amount of ink is consumed to fill into the print head during setup (charging the print head initially). Actual page yield and cost per print will vary significantly based on content printed, ink levels maintained in all four ink reservoirs, and other factors. Page yield is the estimated value based on Canon individual testing method using ISO/IEC 24712 test chart and continuous printing simulation with full set of replacement ink bottles after initial setup. Ink value savings and cost per print comparison with laser is based on total cost (using online manufacturers’ prices as of March 2021) of high yield and standard capacity (where high yield are not available) laser cartridges necessary to achieve equivalent page yields by similarly featured colorlaser printers.

2 Document print speeds are the averages of ESAT (Estimated Saturated Throughput) in Office Category Test for the default simplex mode, ISO/IEC 24734. Photo print speed is based on the default setting using ISO/JIS-SCID N2 on Photo Paper Plus Glossy II and does not take into account data processing time on host computer. Print speed may vary depending on system configuration, interface, software, document complexity, print mode, page coverage, type of paper used etc. Copy speeds are the average of sFCOT and sESAT, ISO/IEC 29183. Copy speed may vary depending on document complexity, copy mode, page coverage, type of paper used etc. and does not take into account warming up time. See www.usa.canon.com/ipm for additional details.

3 Requires an Internet connection and the Canon PRINT Inkjet/SELPHY app, available for free on the App Store and at Google Play. Compatible with iPad, iPhone 3GS or later, and iPod touch 3rd generation or later devices running iOS 12.0 or later, and Android™ mobile devices running Android 4.4 or later. Your device must be connected to the same working network with wireless 802.11 b/g/n capability as your printer. Requires a compatible social media account and is subject to that social media account’s Terms of Service. Certain exceptions may apply.

4 AirPrint functionality requires a compatible iPad, iPhone, or iPod Touch device.

5 Requires Android™ mobile device with Mopria® Print Service pre-loaded with that device. The Mopria® experience is also available with a download of the Mopria® Print Service from Google Play.

6 Cloud Link Print Connection is a user-based license. The subscription of at least one uniFLOW Online Cloud Print & Scan or Image Processing License is required.

7 Supported file formats include: JPEG, TIFF and PDF.

8 Reporting requires the use of the uniFLOW Online Cloud Link Print Connection print driver.

9 Canon offers products that contain certain security features, yet many variables can impact the security of your devices and data. Canon does not warrant that use of features will prevent security issues. Nothing herein should be construed as legal or regulatory advice concerning applicable laws; customers must have their own qualified counsel determine the feasibility of a solution as it relates to regulatory and statutory compliance. Some security features may impact functionality/performance; you may want to test these settings in your environment.

10 Wireless printing requires a working network with wireless 802.11b/g/n capability, operating at 2.4GHz or 5.0GHz. Wireless performance may vary based on terrain and distance between the printer and wireless network clients.

11 Operation can only be guaranteed on a PC with pre-installed Windows 10, Windows 8.1, Windows 7 SP1.

12 Internet Connection required during software installation. For full compatibility macOS v10.12.1 or later is recommended.

13 Functions and features may vary by printer model. Some functions may not be available with these Operating Systems. Please refer to manual or Canon website for details.

14 Requires an active smart assistant account linked and accompanying app enabled, the smart device and printer to be actively connected with permission to the Canon Inkjet Cloud Printing Center, and the required action(s), skill(s), or applet(s) available/ enabled to the compatible printer. Voice commands cannot be displayed as text on Amazon smart devices with screens.

15 The Easy-PhotoPrint Editor software requires an Internet connection and is compatible with the following operating systems; Microsoft Windows 10 (64-bit/32-bit), Microsoft Windows 8.1 (64-bit/32-bit), Microsoft Windows 7 SP1 (64-bit/32-bit), macOS High Sierra v10.13, macOS Sierra v10.12, Mac OS X El Capitan v10.11 and Mac OS X El Capitan v10.10.5. Minimum Windows and macOS/Mac OS X requirements are: 2GB of RAM and a monitor with 1024x768 resolution. The Easy-PhotoPrint Editor mobile application requires an Internet connection and the Easy-PhotoPrint Editor app v1.1.0, available for free on the App Store and at Google Play. Compatible with iPad Air2 (2nd Generation), iPad Mini 4 and iPhone 6s or later devices running iOS 10 or later, and Android mobile devices running Android 5.x or later. Certain exceptions may apply. The following file formats are supported: JPEG, PNG, HEIF (devices running iOS 11 and mac OS v10.13 or later), DLP save data, PosterArtist export data, EasyPhoto+ export data, Easy-PhotoPrint Editor export data.

16 Canon Print Service is a print plug-in for Android smart devices, which enables printing from Android v4.4 - v5.0 devices to many Canon printers via a Wi-Fi network. The plug-in does not work as a standalone app. Available for free at Google Play.

17 Requires an Internet connection and the Creative Park app, available for free on the App Store and at Google Play. Requires an active ‘Canon ID’ available for free, and subject to ‘Canon ID’ Terms of Service. Visit myid.canon for more information. Certain exceptions may apply.

18 PosterArtist Lite software v3.X is compatible with 64/32 bit versions of Microsoft® Windows® 10, Windows 8.1, Windows 7 and only compatible with select Canon PIXMA (released after July 2015), MAXIFY, imagePROGRAF and Océ printers. Minimum computer system requirements: Pentium4 2.8Ghz CPU or higher with 1GB RAM, 1024x768 pixel display and 5GB of system hard drive space.

19 PosterArtist Online Version requires a personal computer with Internet access and a compatible Canon printer. The service is not available on some operating systems or browsers. See usa.canon.com/PosterArtist for details.

20 As an ENERGY STAR® Partner, Canon U.S.A., Inc. has certified this printer as meeting the ENERGY STAR energy efficiency criteria through an EPA-recognized certification body.

21 Print quality might be lower depending on the operating environment.
