WEEKLY CASE 002

The Abbey Lane Receipt

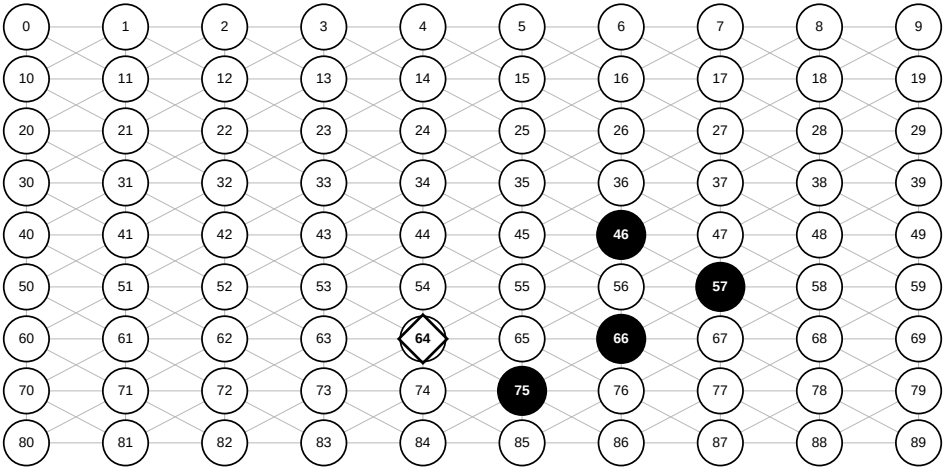
Departure Node 64. Reconstruct exactly 6 movements and identify the destination.

HOW TO PLAY

Move to any adjacent node - N, NE, E, SE, S, SW, W or NW. Never revisit a node.

Use every clue. Only one legal route reaches one of the four possible destinations.

Work it forwards. Then work it backwards.



POSSIBLE DESTINATIONS **66 / 46 / 75 / 57**

EVIDENCE

01 The third stopping point was Node 46.

02 The sixth movement was W.

03 Movements 1 and 4 were in opposite directions.

04 After movement 2, the suspect was on a lower-numbered node than after movement 1.

EDITOR'S SOLUTION / WEEKLY CASE 002

The Abbey Lane Receipt

SOLUTION

Directions: N / NE / E / S / SE / W

Nodes: 64 / 54 / 45 / 46 / 56 / 67 / 66

Departure: 64 Destination: 66

VALIDATION

The route has been checked against every legal six-move route from Node 64. Routes may use all eight compass directions, may not leave the 10 x 9 grid, and may not revisit a node. With the four published destination choices and all four clues applied, exactly one complete route remains.
