

Study. Work. Stay. Build your future.

A hospitality-specialised education
& career pathway

SINGAPORE • MALAYSIA • CANADA • NEW ZEALAND

Purpose of the GO+ Program & Choosing GO+

- 1** Connects students and young people with study, internship, work, and hospitality opportunities across Singapore, Malaysia, Canada and New Zealand.
- 2** Three pathways – Global Study, Study + Work, Work Experience – chosen by your education background and financial circumstances.
- 3** A four-stage journey – Learn → Experience → Work → Grow – produced in one, real, people-first industry: hospitality and tourism.
- 4** Hands-on experience through study, employer-matched internships, and international work exposure, building a global professional network.
- 5** GO+ supports you from application through arrival – accommodation, orientation, and routes that can continue into Canada or New Zealand.

Application Process

- 1 Discover**
Tell us your goals, education background and preferred pathway.
- 2 Assess**
Our team identifies the most suitable education or work pathway.
- 3 Prepare**
Complete applications, documentation and pre-departure preparation.
- 4 Experience**
Study, internship or work in Singapore, with orientation and ongoing support.
- 5 Go beyond**
Progress towards further study, employment, or your next international opportunity.

Who Can Apply & Program Information

- Students entering high school / A Level / Foundation programmes, or graduates, seeking hospitality internships and work experience.
- Work Experience Pathway: aged 18–25, eligible for a Work Holiday Pass per nationality and study status.
- Valid passport for the full duration of your intended stay, with no dependent children accompanying you.
- Basic English proficiency and willingness to study or work in a multicultural, fast-paced environment.
- Able to fund your education or meet the financial support requirement for your pathway.
- Duration varies by pathway: full programme (Global Study), 6–8 months (Study + Work), or up to 6 months (Work Experience).

Hospitality Specialisation

Focus Areas

Hospitality Education

Study with specialised hospitality institutions in Singapore or Malaysia, building academic foundations.

Career Pathways

Build lasting connections with hospitality employers and industry mentors.

Industry Experience

Gain hands-on exposure through internships and real workplace projects with partner employers.

Global Mobility

Explore further study and career opportunities in Canada or New Zealand.

Eligibility

- High School / A Level / Foundation entry, or recent graduate seeking a hospitality internship
- Work Experience Pathway: aged 18–25, meeting Work Holiday Pass requirements
- Valid passport for the full duration of your intended stay
- Proof of English proficiency, where required
- Able to fund your education or meet the financial-support requirement
- Compliance with all MOM eligibility and documentation requirements

What's Included

- Pathway discovery & assessment
- Accommodation guidance
- Industry mentorship (Study + Work)
- Application & documentation support
- Pre-departure preparation
- Ongoing placement support

Program Durations

Global Study	Full programme (varies by course)
Study + Work	6 months study + 6 months internship
Work Experience	Up to 6 months (Work Holiday Pass)
Progression	Optional / potential onward study or employment

Durations and progression depend on your profile, pathway and prevailing MOM / institutional requirements.
