Big Signature

NINE MUSICIANS.
ONE MASSIVE GROOVE.

NINE MUSICIANS.
ONE MASSIVE GROOVE.

Big Signature is a nine-piece indie funk powerhouse from Bridgeport, Connecticut, blending horn-driven funk, hip-hop attitude, jazz improvisation and psychedelic energy into an explosive live experience.

Three horns, deep-pocket rhythm, keyboards, guitars, percussion and fearless improvisation create a massive ensemble sound—joyous, unpredictable and impossible to ignore. The musicianship is serious, but the spirit is never stiff: this is high-impact music made for dancing, shouting, smiling and getting pulled into the moment.

With an unmistakable Bridgeport identity and a sound connecting funk, fusion, jam, soul and hip-hop, Big Signature is a natural fit for festivals, outdoor concert series, clubs, breweries, college events and private events.

Nine musicians. One massive groove. A fiendishly joyous live experience.
