6 Snack-shop math

Circle or write your answers.

You have 12 fruit pieces. Put 3 pieces on each kabob.

How many kabobs can you make? 3 4 6

You make 8 sliders. Your family eats 5.

How many sliders are left? 2 3 4

Which snack would you choose first? _____

7 Design your movie marquee

Write the movie title in big letters and add stars, lights, and pictures.

8 After-movie review

Write or draw your favorite scene, character, and one surprise.

Your five-day dinner adventure

Check off each day as your family prepares for the celebration.

- ◯ Day 1: Suggest movies, vote, and plan the menu.
- ◯ Day 2: Make tickets and a theater marquee.
- ◯ Day 3: Plan popcorn, fruit kabobs, and drinks.
- ◯ Day 4: Help prepare sliders and star-shaped pizza.
- ◯ Day 5: Watch the movie and ask trivia questions.

Parent answer key

Open-ended art, menu, and observation activities have many good answers.

Genres: adventure = journey; comedy = laughs;

mystery = clues; fantasy = imaginary worlds.

Box office: 5 tickets.

Snack math: 4 kabobs; 3 sliders left.

Word hunt: each word is horizontal in rows 1, 3, 5, 7, and 9.

Language sounds vary by region and speaker.
