01 | The Purpose of This Guide

This Financial Services Guide (FSG) is designed to assist you in deciding whether to use any of our services and contains important information about:

- The services we offer you
- How we and our associates are paid
- Any potential conflicts of interest we may have
- What to do in the event of a complaint

02 | Responsibility for Services Provided

We hold an Australian Financial Services Licence and are authorised to advise and deal in the full spectrum of general insurance products.

We are responsible for the financial services provided to you, or through you to your family members, including the distribution of this FSG.

We are required to meet high standards for staff training, organisational competence, management expertise, financial control and compliance disciplines.

03 | Who Do We Act For

We usually act on your behalf and in your interests in all matters. Sometimes, it may be more appropriate for us to access insurance or manage claims where we act as an agent of the insurer. If and when this situation arises we will explain and highlight this to you.

We are not independent, impartial, or unbiased because we may receive from time to time commissions from certain underwriters, wholesale Brokers and or underwriting agencies with whom we place your insurance business. We retain that commission to operate our business and service your needs.

04 | Our Services and Products

We offer a range of services to assist you to protect your assets and guard against unexpected liabilities including reviewing and advising on your insurance needs, identifying risk factors to avoid claims and seeking competitive premium quotations.

We can advise and arrange a broad range of insurances on your behalf including: Home Building and Contents, Private and Commercial Motor, Farm, Business Packages, Construction, Liability, Industrial and Professional covers.

05 | Retail Clients

Under the Corporations Act 2001 (The Act) Retail Clients are provided with additional protection from other clients. The Act defines Retail Clients as:

Individuals or a manufacturing business employing less than 100 people or any other business employing less than 20 people And that are purchasing the following types of insurance covers:

Motor vehicle, home building, contents, personal and domestic, sickness/accident/travel, consumer credit and other classes as prescribed by regulations.

Some of the information in this FSG only applies to Retail Clients and it is important that you understand if you are covered by the additional protection provided.

06 | Retail Client Issues

Typically we only provide General Advice to our Retail Clients. General Advice does not take into account your particular needs and requirements and you should consider the appropriateness of this advice to your circumstances prior to acting upon it. We will provide you with a General Advice Warning in such cases.

If you are a new Retail Client purchasing Personal Accident or Sickness insurance and obtain Personal Advice, that is, advice that takes into account your particular circumstances, we will give you a Statement of Advice (SOA), that sets out the advice provided and the basis on which the advice is made and our remuneration should you purchase the product.

For existing Retail Clients we may not provide an SOA but rather provide the advice to you orally. In such cases you may request us to provide you with a Record of Advice (via phone or in writing) which we will provide to you within 28 days of such request.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurance providers we deal with regularly.

If we recommend the purchase of a particular financial product, we will also give you a Product Disclosure Statement at that time, which sets out details specific to that product and the key benefits and risks in purchasing the product.

07 | Personal Information

The Privacy Act 1988 sets out standards for the collection and management of personal information. With your consent, we will only use your personal information for general insurance services. Our Privacy Policy Statement is available free of charge upon request.

You are able to contact us by phone, in writing, email or in person.

09 | Compensation

We hold a Professional Indemnity Policy. This policy is designed to pay claims by Third Parties (including our clients) arising out of our Professional Negligence. The policy extends to covers us for work done for us by representatives/employees after they cease to work for us and satisfies the requirements for compensation arrangements under Section 912B of The Act.

10 | Contact Agreement

To ensure that we provide you with appropriate products and services, you agree to us calling you to discuss any new products and services. If you do not wish to receive such calls please advise us and we will place you on our Do Not Call Register.

11 | Electronic Delivery of Disclosure Notices

Please note that where possible we prefer to provide all correspondence and disclosure notices (including Financial Services Guides and Product Disclosure Statements) to you electronically, via email attachments or email links to documents/websites etc. If you have provided your email address to us we will typically use that email address for all correspondence and disclosure notices. Should you not wish to be sent disclosure documents electronically please advise us and we will update our records accordingly.

12 | Our Sources of Income

When placing your insurance we usually receive a commission from the insurer. The amount varies between 0% and 27.5% of the base premium you pay. Where a policy is cancelled before the period of insurance has ended we will usually retain the commission on any return premium involved.

If you are a Retail Client and we give you Personal Advice, commission amounts will be provided in any SOA or on any relevant invoices where an SOA is not provided. When we give you General Advice, full commission information (including dollar amounts) will be provided on request.

We have a set of standard non refundable Broker Fees that we charge you for services such as:

- Market research on products available.
- Assessing the claims service of insurers.
- Sourcing alternative quotations and coverage.
- Risk analysis and portfolio co-ordination.

All fees payable for our services will be advised to you at the time of providing the advice or service.

We retain the interest on premiums paid by you that are held in our trust account before paying the insurer.

Premium funding products enable you to pay your Invoice by instalments. Premium funders do charge interest. We can arrange premium funding if you require it. We will normally receive a commission of between 1% and 3% of the amount funded from the Premium Funder for arranging the funding. We will tell you the basis and amount of any such payment if you ask us.
