

COMPANY OVERVIEW

Ozen Global LLC is a Miami-based small business that delivers federal service requirements as the prime contractor. We hold the contract, manage the work, and staff each job with a vetted local subcontractor suited to the scope and location.

Agencies get one accountable point of contact, one invoice, and a team already on the ground where the work happens.

CORE COMPETENCIES

- **Prime contract management:** quoting, scheduling, compliance, invoicing, and closeout from award to acceptance
- **Subcontractor sourcing and oversight:** local partners vetted for insurance, licensing, and relevant experience before we quote
- **Administrative and management support:** process documentation, SOPs, policy summaries, and office administrative services
- **Facility and grounds services:** landscaping, site restoration, and general maintenance through local teaming partners
- **Small purchases:** firm-fixed-price quotes for micro-purchase and simplified acquisition requirements

DIFFERENTIATORS

- **One point of accountability.** The owner manages each job directly and answers for the result.
- **Local teams.** Partners are sourced near the work site, which keeps pricing lean and response times short.
- **Easy to buy from.** Active in SAM.gov, firm-fixed-price quotes, Government Purchase Card and EFT accepted.
- **Fast turnaround.** Quotes on small requirements are returned within days.
