OZEN GLOBAL LLC

CAPABILITY STATEMENT

Prime Contractor for Federal Services | UEI: PELAD4T7UNE4 | CAGE: 18G55 | Miami, Florida

COMPANY OVERVIEW

Ozen Global LLC is a Miami-based small business that delivers federal service requirements as the prime contractor. We hold the contract, manage execution, and staff each award with vetted local partners tailored to the scope and geography. Agencies receive one point of contact, one consolidated invoice, and a dedicated team on the ground where the work occurs.

CORE COMPETENCIES

- **Prime Contract Management:** Full-lifecycle quoting, scheduling, compliance oversight, invoicing, and closeout from award to final acceptance.
- **Subcontractor Sourcing & Oversight:** Rigorous vetting of local partners for insurance, licensing, and past performance prior to bid submission.
- **Administrative & Management Support:** SOP development, process documentation, policy summaries, and office administrative management.
- **Simplified Acquisitions:** Firm-fixed-price quoting structured specifically for micro-purchases and simplified federal acquisitions.

KEY DIFFERENTIATORS

- **Single Point of Contact:** One accountable contact for the contracting officer on every job, from quote through final acceptance.
- **Lean Local Execution:** Teaming partners sourced adjacent to work sites minimize travel costs and ensure rapid response times.
- **Streamlined Purchasing:** Active SAM.gov registration, firm-fixed-price quotes, and payment by Government Purchase Card (GPC) or EFT.
