

SECURE **N** PROTECT

Reliable security.
Professional personnel.
Responsive service.

CAPABILITY STATEMENT

SNP supplies licensed security personnel on a subcontract basis to companies, businesses and event operators across Sydney and surrounding areas. Our focus is simple: licensed guards, clear communication and responsive support for planned and short-notice requirements.

Planned & short-notice

Cover for ongoing rosters and one-off shifts

Sydney & surrounds

NSW-based, responsive on the ground

One guard to multi-guard

Scales with the size of the site or event

CORE SERVICES

01

Subcontract Guard Supply

Licensed guards supplied to companies and businesses for planned or short-notice requirements.

02

Events & Venues

Personnel supporting controlled entry, crowd-facing operations and venue requirements.

03

Construction Site Security

Site access control, asset protection, gatehouse duties and static guarding.

04

Commercial & Corporate

Professional personnel for offices, commercial properties and managed facilities.

05

Warehouse & Logistics

Access control, perimeter presence and asset protection for operational sites.

06

Static & Roving Security

Flexible personnel for fixed posts, patrol-based duties and site-specific requirements.

WHY SNP

- ✓ Direct connection to 5,000+ guards
- ✓ Able to fill late guard spots for companies and events
- ✓ Appropriately licensed personnel
- ✓ Responsive management, direct communication
- ✓ Flexible and scalable, short-term or ongoing
- ✓ Site-specific deployment and reporting

HOW WE WORK

SNP supports planned and short-notice requirements, from individual guard placements through to multi-guard site coverage.

We allocate the right personnel to each assignment, communicate site requirements clearly and keep a direct point of contact throughout, supporting ongoing rosters, temporary cover, project work and event deployments.

INDUSTRIES WE SUPPORT

• Construction • Warehousing & Logistics • Commercial Property • Events • Retail • Strata & Building Management

COMPLIANCE & RISK MANAGEMENT

SNP personnel operate in accordance with applicable NSW security industry requirements. Licensing and site requirements are verified for each assignment.
