CORE SERVICE SCOPE SNAPSHOTS

MAINTENANCE WASH & PROTECT
Safe hand wash and dry, wheel faces and tires, exterior glass, and light bug or road-film removal.

INTERIOR REFRESH
Vacuum accessible areas, wipe reachable touch points, clean interior glass, cupholders and door jambs. Light surface soil only.

EXTERIOR DETAIL
Thorough wash, wheels and tires, exterior glass, mirrors and door jamb contact areas. Paint decontamination or correction is separate unless listed.

INTERIOR DEEP DETAIL
Detailed vacuum, interior surfaces and glass, targeted spot work. Extraction or steam depends on material and scope; heavy soil and odor are assessed separately.

FULL DETAIL
Combines the Exterior Detail and Interior Deep Detail scopes for an interior and exterior reset. Exceptional-condition work is itemized separately.

SIGNATURE DETAIL
Full Detail plus expanded crevice work, enhanced paint decontamination, a defined protectant, and extra finishing checks. Correction and coating remain separate services.

ADD-ONS & CONDITION WORK

Use the selected vehicle class, visible condition, affected area, and labor to select a price within each range.

VEHICLE CLASSES

CLASS	TYPICAL VEHICLES	USE
A - Compact	Compact cars, coupes, hatchbacks, small sedans	Base class
B - Mid-size	Most sedans, crossovers, 2-row SUVs, small pickups	Larger area than A
C - Large	Large / 3-row SUVs, full-size pickups, minivans	Higher area and labor
D - XL / Specialty	XL SUVs, passenger vans, lifted or modified trucks	Starting point; inspect

DETAIL ADD-ONS

SERVICE / ADD-ON	PRICE	UNIT / QUOTE BASIS
Pet hair removal	+$50-$150	Per vehicle; amount depends on volume and fibers.
Excessive soil / mud	+$50-$150	Per vehicle; assess affected areas and labor.
Seat / carpet extraction	$50-$125	Targeted area or incremental extraction; state the area.
Odor treatment	$75-$175	Assess first; outcomes vary by source and severity.
Engine bay detail	$79-$129	Define the work area and safe cleaning scope.
Headlight restoration	$99-$179	Suggested pair price; explain finish limits.
Clay-bar / paint decontamination	+$75-$150	Add-on to a detail; standalone: $149-$249.
Spray paint sealant / protection	+$35-$65	Only for a defined product and application.
Leather condition / protect	$25-$60	Set amount by interior size and material condition.
Wheel face + barrel deep clean	+$25-$65	Depends on wheel design, access, and brake dust.
Tar / sap / adhesive removal	+$50-$150	Quote by affected area and severity.
Interior protectant application	+$50-$100	Define product and surfaces to be treated.

Unless a service line says otherwise, add-on ranges are per vehicle. Choose and itemize the actual charge before work begins. Biohazard cleanup, bodily fluids, mold, unsafe contamination, paint overspray, and advanced defect removal require a separate capability and scope review.

PAINT, COATINGS & MAINTENANCE

Specialty paint work starts with a vehicle inspection and a clearly defined prep and finish scope.

PAINT ENHANCEMENT, CORRECTION & COATING

SERVICE	CLASS A	CLASS B	CLASS C	CLASS D
One-step paint enhancement	$299	$349	$399	$449
One-step paint correction	$399	$499	$599	$699
Multi-stage paint correction	$699	$899	$1,099	$1,299+
Entry-level ceramic coating package	$699	$849	$999	$1,199
Premium coating + paint enhancement	$999	$1,199	$1,399	$1,699+
Coating maintenance visit	$129	$159	$189	$229

Correction results depend on paint condition and do not promise removal of every defect. Coating quotes must name the coating product, preparation steps, care instructions, and any product-backed warranty terms. Never add an unsupported durability claim.

MAINTENANCE SERVICES

SERVICE	CLASS A	CLASS B	CLASS C	CLASS D
Exterior maintenance visit	$59	$69	$79	$99
Interior maintenance add-on	+$39	+$49	+$59	+$79
Combined maintenance visit	$89	$109	$129	$159
