An independent lookalike production, not an appearance by the original artist.

Three formats. Your own event.

01 Surprise appearance

An entrance planned around your programme / Meet-and-greet and photo opportunities / Advance coordination with the organiser

Appearance length agreed in advance. Available without a DJ set; venue requirements are agreed individually.

02 DJ show

A DJ performance behind the decks / Music direction and running order agreed in advance / Photo opportunities arranged around the performance

A DJ performance slot tailored to your event. DJ booth, sound system and connections coordinated with the venue.

03 Tailored event production

An appearance integrated into your event plan / An agreed combination of DJ show and guest interaction / Coordination with your agency and technical crew

A bespoke running order and appearance schedule. Equipment, travel and any accommodation agreed and itemised individually.

Technical briefing checklist

Final technical requirements are agreed with the venue. This checklist supports planning and is not a fixed technical rider.

- Preferred date, city, venue and approximate guest count
- Show length, entrance and running order
- DJ booth, players, mixer and available connections
- Sound system, monitoring, power and on-site technician
- Arrival, setup time, travel and any accommodation
