UPVC FENCING

Why Choose UPVC Fencing?

UPVC fencing offers several practical benefits such as:

- **Low Maintenance** (no painting or staining required)
- **Resistant to rot, rust, currosion and TERMITES**
- **Durability & Longevity** this fence can last upwards of 30 years
- **Cost Effective** over time due to the minimal maintenance required.

POSH FAUCETS

Digital Display Vanity Faucet

This vanity faucet comes with a plethora of modes such as fountain mode where water comes out the top of the faucet (picture 2), Mist mode where instead of having a heavy stream of water you can instead have a fine mist. Along with these modes the faucet head can spin 360 degrees and the faucet can be heightened as seen in picture 3.

Home Improvement Begins HERE!

Thank you for exploring our collection. Each piece is produced with passion and precision.
